

Christa Mann, MSN, APRN, FNP-C: Empowering Wellness at Green Health Collective in Woodbridge, Connecticut

Innovative Care Focused on Holistic Wellness and Patient-Centered Approaches

New York City, New York Jul 7, 2025 ([Issuewire.com](https://www.issuewire.com)) - Christa Mann, MSN, APRN, FNP-C, a highly respected Advanced Practice Registered Nurse and Certified Family Nurse Practitioner, is the proud Owner and Operator of Green Health Collective, a healthcare practice located in Woodbridge, Connecticut. With nearly two decades of medical experience, Christa is dedicated to providing comprehensive, holistic care for adolescents and adults throughout the state.

Green Health Collective offers an array of services tailored to meet the unique needs of each patient, including adult and adolescent wellness, mental and emotional health, gender care, sexual health, addiction and recovery support, as well as preventative care and chronic disease management. "My goal is to create a healthcare environment that is culturally sensitive, engaging, and accessible for all patients," says Christa. "I believe that everyone deserves personalized care that addresses their health challenges and promotes overall well-being."

Christa's extensive educational background supports her commitment to excellence in healthcare. She earned a Bachelor of Science in Nursing from Elmira College in 2006, followed by a Master of Science in Management from Keuka College in 2008. In 2013, she completed her Master of Science in Nursing from Liberty University, and in 2015, she obtained her Post-Master's Certificate as a Family Nurse Practitioner from Southern Connecticut University.

In addition to her clinical expertise, Christa is a dedicated member of several professional organizations, including the American Nurses Association, the Connecticut Advanced Practice Registered Nurse Society, and the Sigma Theta Tau International Honor Society of Nursing. Her involvement in these organizations reflects her commitment to staying at the forefront of nursing practice and advocating for her patients and the nursing profession as a whole.

Green Health Collective invites the community to experience a new standard in healthcare that prioritizes patient engagement, holistic approaches, and culturally competent care.
