Crete, Heraklion Jul 3, 2025 ([Issuewire.com](https://www.issuewire.com)) - Cretarent is not about flashy new features. We firmly believe in doing the essentials exceptionally well, and that is one reason why we are most loved by travellers arriving at Crete. That's precisely why travellers arriving at Heraklion Airport can consistently rely on a warm, friendly, professional, and hassle-free pickup experience every single time.

Once you arrive, our dedicated team will be promptly available to assist you. A friendly and attentive representative will be waiting just outside the arrivals hall, holding a sign with your surname, so you can easily spot us. This gesture is our special way of warmly welcoming you to Crete, ensuring a smooth, enjoyable, and hassle-free arrival experience without any confusion, stress, or delays.

We also keep a close eye on your flight in real time. If you share your flight number ahead of time, we monitor any delays and make the necessary adjustments to ensure that your vehicle and representative are ready and waiting for you the moment you land. No matter if your flight arrives early or late, you can rest assured that we've got everything covered, making your travel experience smooth and stress-free.

And when it's time to get going? Our private car parking is located less than a minute's walk from the terminal. No long walks or shuttle buses — just grab your bags, meet us, and start your journey with ease.

With Cretarent, simplicity and reliability come together — from the very start.
