

David Shnader's White-Label Revolution: Proaxis.ai Now Live

Complete white label AI digital marketing agency completely done for you

Austin, Texas Jul 23, 2025 ([Issuewire.com](https://www.issuewire.com)) - Meet David Shnader, a dynamic serial entrepreneur and Fortune 5000 visionary, whose mission is to empower businesses to scale smarter and faster. As the founder behind multiple cutting-edge ventures, Shnader has built an ecosystem of growth-driven companies, all converging into one powerhouse platform — ****Proaxis.ai****.

From AI to fintech to marketing automation, Shnader's portfolio includes:

- **Geeks5G.com** – Full-service digital marketing.
- **UndisputedPay.com** – Irreversible credit card payment technology.
- **PlatformConnection.com** – Voice AI for inbound/outbound calls, chatbots, and social automation.
- **CRMRunner.com** – CRM platform with dispatch, invoicing, payments, and dialer tools.
- **PowerMAQ.net** – Live call center agents in English & Spanish.
- **RankTitan.ai** – Marketing automation for Google Maps, WordPress, and more.
- **HeatmapGenerator.com** – Audit tool with GBP heatmap technology.
- **BlockAILabs.com** – Custom software development.
- **TakTek.app** – Emergency service lead generation.

All of these now integrate into one unified white-label engine: **Proaxis.ai** — a revolutionary platform enabling anyone to launch their own **AI-powered marketing agency**.

“We built the factory — now we give you the brand,” says Shnader. “With Proaxis.ai, you can offer everything a business needs to grow — marketing, AI, CRM, automation — all done for you.”

From zero to six figures? Proaxis.ai makes it possible. Whether you're a freelancer, side hustler, or seasoned sales pro, this platform gives you instant infrastructure to start selling high-ticket digital solutions to any business on Earth.
