

DJ WildChild: From Daytona to the World – Florida DJ's Journey to Success and Resilience

Daytona Beach, Florida Jul 6, 2025 ([Issuewire.com](https://www.issuewire.com)) - Florida-based DJ and music entrepreneur DJ WildChild (Alexander Gort) is proving that passion, perseverance, and powerful beats can break down barriers. With over a decade in the music scene, WildChild is gaining national recognition for his high-energy performances, international bookings, and dedication to uplifting communities through music.

He currently holds a featured spot on Hot 94.1 (Daytona Beach) and former DJ for Bethune-Cookman University. His talent has taken him beyond Florida to perform at high-profile events like Essence Festival, Urban Ski Weekend, and across the Bahamas, Jamaica, the Cayman Islands, and Puerto Rico.

In addition to rocking stages, DJ WildChild is a recording artist. His single, "Want It All" featuring Major D-Star, showcases his versatility as a producer and performer. Listen here:

WildChild's journey hasn't been easy. Overcoming homelessness, legal setbacks, and a serious car accident, he's turned adversity into artistry. His story is now the subject of an upcoming documentary aimed at inspiring young creatives to follow their dreams regardless of the odds.

As he continues to grow his brand and reach, DJ WildChild remains a symbol of what's possible when talent meets grit. Booking inquiries, press requests, and future collaborations are welcome as this rising star paves his path forward.
