

# DL Mining opens a new era of XRP mining: zero-cost startup, AI intelligent optimization, and high daily passive income

**Stirling, Scotland Jul 21, 2025 ([Issuewire.com](https://www.issuewire.com))** - **DL Mining**, the world's leading compliant cloud mining platform, officially launched the **XRP mining incentive plan today**. Users do not need to buy mining machines or technical knowledge. They only need a smartphone to start a "**zero threshold, high-yield**" passive income model through mainstream cryptocurrencies such as **Ripple (XRP)**, **Bitcoin (BTC)**, and **Ethereum (ETH)**.

## Say goodbye to traditional mining and embrace AI intelligent cloud computing power

Traditional mining relies on expensive mining machines and high electricity bills, while **DL Mining** uses an **AI** intelligent scheduling system and relies on the global distributed green mining power to allow users to easily mine through [cloud-hosted computing power](#), and automatically settle daily income, truly realizing "[making money while lying down](#)."

New user exclusive benefits

 **Register and get \$15 computing power** - experience cloud mining at zero cost

 [Sign in daily to get \\$0.6](#) - stable income without interruption

 **Invite friends to earn 5% commission** - up to \$30,000 in bonus
