

Dr. Gary A. Gelbfish Expands Advanced Vascular Surgery Services in Brooklyn, NY

Renowned vascular surgeon brings cutting-edge treatments and compassionate care to Brooklyn's vascular health community

New York City, New York Jul 2, 2025 ([Issuewire.com](https://www.issuewire.com)) - Vascular Specialists of Brooklyn is pleased to highlight the distinguished practice of Dr. Gary A. Gelbfish, MD, FACS, a board-certified vascular surgeon dedicated to improving vascular health across Brooklyn. Dr. Gelbfish brings decades of specialized clinical experience, utilizing both innovative techniques and personalized care to treat a wide range of vascular conditions.

Dr. Gelbfish earned his medical degree from Albany Medical College and completed his general surgery training at the State University of New York at Stony Brook. He further specialized in vascular surgery at The Mount Sinai Hospital, achieving board certification in vascular surgery and fellowship status with the American College of Surgeons (FACS). His extensive training underpins a deep expertise in both open and endovascular procedures.

Since joining Vascular Specialists of Brooklyn, Dr. Gelbfish has developed a reputation for his meticulous attention to detail and patient-first philosophy. He treats arterial and venous disorders—including aneurysms, carotid artery disease, peripheral artery disease, varicose veins, and deep vein thrombosis—employing both minimally invasive interventions and advanced surgical techniques. Patients benefit from his integrated, multidisciplinary approach to vascular health.

In addition to his clinical role, Dr. Gelbfish actively engages in patient education and community outreach. He leads regular seminars for patients and referring physicians to promote vascular disease awareness, prevention, and early detection. His efforts strengthen collaboration with cardiologists, radiologists, and primary care providers to ensure comprehensive and coordinated patient care.

Looking forward, Dr. Gelbfish aims to expand service accessibility through enhanced vascular wellness screenings, telehealth follow-ups for post-op care, and the launch of a community-based vascular health initiative across Brooklyn. His ongoing dedication underscores Vascular Specialists of Brooklyn's commitment to advancing vascular quality of care and improving long-term outcomes.
