

Dr. Jill Buterbaugh Brings Family-Focused Healthcare to Bedford, PA

Board-certified family nurse practitioner blends clinical excellence with advanced education and mentorship

New York City, New York Jul 7, 2025 ([IssueWire.com](https://www.IssueWire.com)) - Bedford Family Wellness Center is pleased

to welcome Dr. Jill Buterbaugh, DNP, CRNP, FNP-BC, CNE, CME, a dedicated family nurse practitioner committed to delivering high-quality, compassionate care across the lifespan. With a robust background in advanced practice nursing and education, Dr. Buterbaugh enriches patient care and professional development within the Bedford community and surrounding areas.

Dr. Buterbaugh earned her Doctor of Nursing Practice and holds board certification as a Family Nurse Practitioner. Additionally, she is credentialed as a Clinical Nurse Educator and Clinical Medical Educator. She specializes in comprehensive primary care services for all ages, including preventive health, chronic disease management, women's health, adolescent care, and geriatric wellness. Her extensive educational foundation enhances her ability to deliver evidence-based care and effective health interventions.

At Bedford Family Wellness Center, Dr. Buterbaugh is known for her personalized approach to patient care—conducting thorough physical exams, managing conditions such as diabetes, hypertension, and asthma, and addressing women's and children's health needs. She focuses on collaborative care planning, patient education, and wellness coaching, empowering individuals to take charge of their health and achieve lasting well-being.

Beyond clinical duties, Dr. Buterbaugh is dedicated to teaching and mentoring the next generation of nurses. She leads clinical education programs, supervises nursing students during hands-on practice, and develops training curricula that integrate the latest best practices in family health. Her dual role as clinician and educator enhances both patient care and staff expertise at the center.

Looking ahead, Dr. Buterbaugh plans to expand telehealth outreach services, develop wellness workshops for chronic disease prevention, and implement interprofessional learning modules for clinicians in Bedford and neighboring regions. Her vision aligns with Bedford Family Wellness Center's mission to offer accessible, uplifting, and expert-driven care that supports whole-family health.
