

Dr. Kenneth C. Kenney, PhD, MSW: Expert Psychologist Offering Forensic & Clinical Mental Health Care in Ruidoso, NM

Veteran Psychologist with Decades of Leadership in Forensic Evaluation and Behavioral Health Advocacy

New York City, New York Jul 31, 2025 ([IssueWire.com](https://www.issuewire.com)) - Dr. Kenneth C. Kenney, PhD, MSW, a dual-trained clinical psychologist and master's-level social worker, brings four decades of expertise to his private practice in Ruidoso, New Mexico. Licensed and based at 1096 Mechem Drive, Ste. 210, Dr. Kenney is renowned for his comprehensive psychological and forensic evaluations, serving adults, families, and children in clinical, legal, and behavioral health settings.

A seasoned forensic psychologist, Dr. Kenney conducts evaluations related to child welfare, juvenile competency, disability and guardianship assessments, court-appointed conservatorships, and family custody disputes. He has served state agencies such as CYFD, the Social Security Administration, and courts across New Mexico, addressing competency, mental health, and welfare determinations. His practice also includes structured testing for trauma, PTSD, elder abuse, LGBTQ issues, and neuropsychological consultation.

Dr. Kenney earned his PhD in Clinical Psychology from Fielding Graduate University and holds dual master's degrees in Social Work (University of Michigan) and School & Developmental Psychology (St. John's University), along with a BA in Philosophy from Cathedral College. He founded and led La Familia, a major mental health and social services agency providing adoption, child welfare, and eldercare services, supervising numerous practitioners before transitioning to private practice in 2003. He has also served as a science advisor to the NIH and provided expert testimony on behavioral health policy and system reform.

Located in the heart of Ruidoso, Dr. Kenney's clinic emphasizes a thoughtful, individualized approach to psychological care. Patients benefit from evaluation-driven therapy, advocacy support, and tailored therapeutic planning, while attorneys and agencies appreciate his clarity, rigorous methodology, and timely reporting. Although he is currently not accepting new long-term therapy clients, he continues to offer telehealth and forensic services to meet regional needs.

As a respected figure in New Mexico's behavioral health landscape, Dr. Kenneth Kenney remains deeply committed to serving the intersection of psychology and law. His decades of leadership, rigorous standards, and compassionate care continue to support individuals, families, and systems throughout Lincoln County and beyond, delivering clarity, advocacy, and mental health excellence one evaluation at a time.
