

Dr. Kevin Kurian Enhances Pulmonary Care in Brooklyn, NY

Board-eligible pulmonologist delivers comprehensive respiratory care with a patient-centered focus

New York City, New York Jul 21, 2025 ([IssueWire.com](https://www.issuewire.com)) - Brooklyn Respiratory & Pulmonary Associates is pleased to welcome Dr. Kevin Kurian, MD, to its distinguished team of specialists. As a board-eligible pulmonologist serving the Brooklyn community, Dr. Kurian is committed to offering high-quality, personalized respiratory care for patients of all ages.

Dr. Kurian earned his medical degree and completed his residency in internal medicine, followed by fellowship training in pulmonary and critical care medicine. He will be certified in his specialty and will provide expert diagnosis and treatment for a range of conditions, including asthma, COPD, interstitial lung disease, pulmonary hypertension, sleep-disordered breathing, and complex pulmonary infections.

At Brooklyn Respiratory & Pulmonary Associates, Dr. Kurian is known for his attentive listening, meticulous clinical evaluations, and collaborative care planning. He performs advanced diagnostic testing—such as pulmonary function tests, bronchoscopy, and advanced imaging—and tailors treatment regimens that may include inhaled therapies, oxygen management, pulmonary rehabilitation, and lifestyle modification strategies.

Dr. Kurian works closely with multidisciplinary teams—including pulmonologists, respiratory therapists, sleep specialists, and primary care providers—to ensure coordinated and effective patient care. He places strong emphasis on patient education, shared decision-making, and empowering individuals to actively manage their respiratory health.

Looking ahead, Dr. Kurian plans to expand telepulmonology services, host community workshops on managing chronic lung conditions, and collaborate with local organizations on lung health screenings and prevention initiatives. His efforts reflect Brooklyn Respiratory & Pulmonary Associates' mission to deliver accessible, expert-driven respiratory care that supports wellness and quality of life.
