## Introduction

Knee pain can be life-altering. It limits mobility, causes constant discomfort, and often takes away the joy of everyday activities like walking, climbing stairs, or simply standing for long periods. If you are dealing with chronic knee issues and looking for a long-term solution, knee replacement surgery might be the answer. And when it comes to the [best knee replacement surgeon in Ranchi](#), one name that stands out is Dr. Rohit Lal.

## [Who is Dr. Rohit Lal?](#)

[Dr. Rohit Lal](#) is a highly skilled and experienced Joint Replacement and Arthroscopy Surgeon based in Ranchi, Jharkhand. With over 4000 successful knee replacement surgeries to his credit, he is considered one of the most trusted names in orthopedic care in Eastern India.

He completed his MBBS from Government Medical College, Nagpur, followed by a Diploma in Orthopedics from PMCH Patna. His quest for excellence led him to MIOT Hospital, Chennai, where he earned his DNB in Orthopedics under the mentorship of some of India's most renowned surgeons.
