

Edoxi Training Center Announces Grand Opening of Its Qatar Branch to Support National Workforce Development

Doha, Qatar Jul 17, 2025 ([Issuewire.com](https://www.issuewire.com)) - Edoxi Training Institute, a global leader in professional and corporate training, proudly announces the grand opening of its newest international branch — **Edoxi Training Center** — in **Doha, Qatar**. The launch event will take place on **July 19th at 5:00 PM** at **Le Boulevard, Office 502, 343 Al Sadd Street, Doha**.

Founded in Dubai in 2018, Edoxi began its journey by offering B2C training programs in Microsoft Office and CAD. Since then, it has significantly expanded its portfolio and now delivers **over 400 career-building courses** across **22 specialized domains**, including **Cybersecurity, Data Science, ERP, CAD Design, Oil & Gas, Human Resources, Soft Skills, and Procurement & Supply Chain Management**.

Established in 2018, Edoxi aims to equip students, young entrepreneurs, and corporate professionals to face the dynamic challenges of the modern workforce. Building on the success of its operations in **Dubai** and **London**, the expansion into **Qatar** marks a strategic step toward furthering this mission.

In 2020, Edoxi entered the B2B training space, providing tailored learning solutions to a growing client base of **over 300 corporate partners across 17 countries**. These clients span industries such as **government, defense, energy, and global enterprise sectors**.

Following the successful launch of its **London branch in 2024**, the new **Doha center** becomes Edoxi's **third international branch**, reinforcing its commitment to transforming the global workforce.

“Qatar is giving high importance to cybersecurity, artificial intelligence, and human capital development,” said **Sharafudhin Mangalad**, CEO of Edoxi Training Institute. “We believe Edoxi can play a vital role in supporting Qatar’s national vision by upskilling its workforce and preparing professionals for the demands of tomorrow.”

Edoxi is internationally accredited by esteemed organizations including **EC-Council, Autodesk, Microsoft, CompTIA, PECB, AiCerts, British Council** and the **American Purchasing Society**. The institute also holds **CPD UK Accreditation** for its Human Resource and Soft Skills courses, reflecting its adherence to global standards in professional development.

Recognized for Excellence

Edoxi’s commitment to quality and innovation in training has earned prestigious accolades:

- In **2023**, Edoxi won the **Outstanding Organization Award** from the globally recognized **Education 2.0 Conference**, honoring its remarkable contributions to the training sector.
- For the past **two consecutive years**, Edoxi has been selected for the **Training Excellence Award** by **EC-Council**, a world-renowned authority in cybersecurity education. This honor affirms Edoxi’s leadership in delivering impactful, industry-relevant cybersecurity training programs.

The **Doha branch** will be officially inaugurated by **Shaikh Nasser Abdulla Khaled Hamad Althani**, who will cut the ribbon and open the office. The grand opening ceremony will also be graced by the

presence of **prominent business leaders, academicians**, and **community figures from across Qatar**, highlighting Edoxi's strong alignment with national goals in workforce and skills development.

The official press conference was attended by:

- **Sharafudhin Mangalad** (CEO)
- **Muhammed Fazil** (Business Head)
- **Abhilaash Aathreya** (Center Manager, Edoxi Qatar)
