

Expert Women's Health Doctor Now Available at Horizon Medical Centre Stepney

Adelaide , South Australia Jul 4, 2025 ([Issuewire.com](https://www.issuewire.com)) - Horizon Medical Centre is pleased to announce the addition of a highly experienced [women's health doctor](#) to our team, expanding our commitment to providing comprehensive and compassionate healthcare services for women in Stepney and the surrounding Adelaide suburbs.

With a focus on women's health across all life stages, our new GP offers expert care in areas including reproductive health, contraception advice, cervical screening, menopause management, antenatal care, and more. This service ensures that women have access to personalised, confidential medical support in a comfortable and caring environment.

Located conveniently near Adelaide CBD, Horizon Medical Centre continues to be a trusted destination for bulk billing GP services. Our dedicated team is proud to provide high-quality, accessible healthcare for every member of the community.

Booking Information:

Appointments with our women's health doctor are now available. To book, please visit <https://horizonmedicalcentre.com.au> or call our reception for assistance.

About Horizon Medical Centre:

Horizon Medical Centre in Stepney offers a wide range of GP and allied health services including mental health, chronic disease care, skin cancer checks, children's health, immunisations, and travel medicine.
