

Faith-Driven Tech Leader Dr. Christina Asare Expands Her Impact Across Media, Ministry, and Leadership

Suffolk, Virginia Jul 10, 2025 ([Issuewire.com](https://www.issuewire.com)) - Dr. Christina Asare, a dynamic leader in technology, ministry, and publishing, is making waves across sectors by merging spiritual wisdom with corporate strategy. With over 13 years of experience in high-impact program and project management across the energy, healthcare, and tech industries, Dr. Asare is a trusted voice at the intersection of faith, transformation, and organizational leadership.

As a respected author, speaker, and executive advisor, Dr. Asare equips leaders to operate with clarity in high-stakes environments. She is the author of several transformational works, including:

- *The Power of Silence: Safeguarding God's Blessings*
- *Strengthened to Serve: Conquering Ministry Burnout*
- *Unstoppable Faith: The Story of Dr. Christina Asare* — her autobiography highlighting her journey through adversity, breakthrough, and bold faith

These titles have become go-to resources for leaders navigating emotional fatigue, spiritual warfare, and life transitions.

She is also the visionary behind the **Voice & Vision Leadership Series**. This platform features a podcast, leadership newsletter, and blog, offering insights into corporate strategy, faith-based leadership, and personal renewal. Her Voice & Vision newsletter continues to see strong organic growth, engaging a broad audience of professionals and emerging leaders, offering actionable insights to professionals across various sectors. In addition to her leadership of media platforms, Dr. Asare is launching two academies this winter, currently in development:

- **Health Pro Academy** – <https://healthproacademy.mykajabi.com>
- **Asare Tech & Business Academy** – <https://asaretechacademy.mykajabi.com>

Both aim to equip leaders and professionals with skills in health, business, technology, and spiritual leadership.

Ministry and Christian Education

Dr. Christina Asare is the **Senior Pastor of Light of the World Ministries International**, a growing online ministry equipping believers through prayer, teaching, and outreach. She was ordained by Christian Global Outreach Ministries and has earned certifications through the Christian Leadership Institute:

- Wedding Officiant Skills
- Ministry Calling and Confidence
- Storyline of the Bible
- Critical Grace Theory
- Essential Philosophy
- How to Be Interesting
- Fellowship and Hospitality Ministry
- Leading Bible Studies
- Basic Ministry Speaking

She has also completed her **Graduate Certificate in Christian Leadership** from Liberty University and is currently planning to pursue her Graduate Certificate in Christian Ministry from the same institution.

- Certified Product Owner (CSPO)
- SAFe Agilist (SA)
- SAFe Scrum Master 6.0
- HIPAA Security & Awareness Certifications

She has led enterprise-level initiatives for well-known cybersecurity companies and currently serves through her firm, **Global 1 Consulting**, managing cybersecurity, energy operations, and digital transformation projects.

Executive Profile & Strategic Leadership

Senior Program & Product Manager | Director-Level CLM & Legal Tech Leader | Digital Transformation & Compliance

Dr. Asare is a strategic leader with over 13 years of experience driving complex initiatives across cybersecurity, healthcare, SaaS, and government sectors. She specializes in aligning technology with business goals, leading Agile/SAFe transformations, and scaling global teams. Known for launching secure, scalable products, she brings deep expertise in Zero Trust, NIST, FedRAMP, and GovCloud frameworks.

Leadership Highlights

- Managed \$50M+ portfolios across cybersecurity, SaaS, GovCloud, and healthcare IT programs, delivering enterprise modernization at scale.
- Accelerated delivery of a statewide Medicaid/Medicare expansion initiative by over three months through Agile-led transformations across six departments.
- Advised VP and C-suite leaders on IT governance, aligning enterprise strategy with risk and compliance for mission-critical initiatives.
- Led deployment of AI, NLP, and DevSecOps solutions to enhance automation, data security, and operational resilience across systems.
- Unified CLM operations across legal, procurement, and compliance—streamlining contracts and ensuring audit-ready, scalable workflows.

Volunteer Leadership

President, Meadows Civic League – Suffolk, VA (January 2023 – Present)

Leads a civic organization representing 200+ households, driving strategic planning, community advancement, and government advocacy.

- Acts as chief liaison to city officials, securing infrastructure improvements and public safety measures.
- Oversees board leadership, governance enforcement, and civic operations.
- Increased resident engagement by 40% through targeted outreach, educational forums, and inclusive events.
- Champions transparency, equity, and collaborative decision-making across all initiatives.

2025 Opportunities & Focus

In 2025, Dr. Asare continues to expand her platform and is currently:

- Accepting speaking invitations for summits, panels, conferences, and ministry events
- Open to podcast interviews focused on leadership, faith, mental health, and women in tech
- Exploring Vice President-level leadership opportunities where she can drive digital strategy, organizational culture, and transformational leadership

Signature Speaking Topics

- Faith-based leadership in complex professional environments
- Navigating burnout and leadership fatigue
- Building cybersecurity and compliance culture with purpose
- Women rising in leadership, identity, and innovation
- Aligning your voice and vision for long-term impact
