

Family Spirits: Every family has a ghost story.

Now airing Saturdays on HauntTV (Tubi, Roku, Sling TV FreeStream, Amazon Live) and streaming on YouTube. - A Series Where the Paranormal is Personal

New York City, New York Jul 4, 2025 ([Issuewire.com](http://www.Issuewire.com)) - A Series Where the Paranormal is Personal

Family Spirits uncovers real stories of individuals haunted not by strangers, but by their own lineage. Hosted by acclaimed investigators Brandon Alvis and Mustafa Gatollari, the series explores deeply intimate paranormal encounters rooted in family ties, unresolved grief, and generational echoes.

Each episode captures the emotional and psychological imprint of ancestry, revealing that the most compelling ghost stories are the ones passed down through bloodlines.

Series Synopsis

Family Spirits offers documented case studies that investigate the unknown with empathy and rigor. This is not spectacle—it's storytelling at the intersection of loss and legacy. Families who have experienced unexplained phenomena invite the team into their lives to uncover the truth behind the spirits they believe are their own.

With a blend of emotional testimony, scientific inquiry, and ancestral revelations, each episode makes a compelling case for the idea that death is not the end of connection.

Featured Episodes

Episode 101: A Pilot's Dream

A decorated Air Force hero who died in a pivotal military exercise reemerges in his grandson Chad's life through an unlikely discovery made by strangers across the country. Chad believes his grandfather's spirit inspired his own decision to become a pilot—turning coincidence into destiny.

Episode 103: A Mother's Love

After the tragic death of his ex-wife, Cat, Andy and his son Trey begin to experience encounters that feel more like visits than hauntings. These moments become a source of comfort, suggesting that Cat's presence has never truly left.

Episode 104: The Last Ride

Carrie, grieving the loss of her childhood best friend in a fatal car accident, finds herself alone on a horse ride when a paranormal encounter shifts her understanding of life after death—and the nature of goodbye.

Episode 105: The Protector

Michael recounts a moment in his childhood when he narrowly avoided tragedy. He now believes it was his grandfather's spirit that intervened. The revelation opens a broader inquiry into his family's history of suppressed paranormal experiences.

Episode 106: Broadway Blood

Lauren always sensed a protective presence in her life. Now a mother, she notices that the same guardian angel energy seems to surround her son. She begins to suspect that the ability to see and feel spirits may run in the family.

Episode 107: A Family Gathering

After a night of uneasy sleep, Gregg and Justin realize they shared the same dream—one filled with vivid detail and visited by mutual ancestors. Their experience raises questions about the possibility of joint spiritual encounters within bloodlines.

Episode 108: Death's Door

Ashley confronts the traumatic death of her sister-in-law by examining a series of paranormal events that followed. What begins as a frightening experience evolves into a reaffirmation of their lasting bond.

Episode 109: Undying Ritual

Kinedy's relationship with her great-grandmother continues long after death, with paranormal moments that mirror their interactions in life. She discovers these are not isolated events, but part of a deeper ancestral pattern.

Episode 110: A Violent Haunting

Shay and her sister Tracy recall terrifying experiences in a home tied to brutal murders—experiences that culminated in their father being hospitalized. After his passing, Shay received one final visit that reframed their shared trauma.

Why Family Spirits Stands Out

Exploring their ancestry through DNA tests and heritage archives, *Family Spirits* taps into a deeper question: What if the past isn't just part of your story, but actively reaching out?

Themes Explored

- Ancestral trauma and healing
- Shared family visitations
- Paranormal experiences rooted in emotional truth
- Legacy, grief, and generational closure

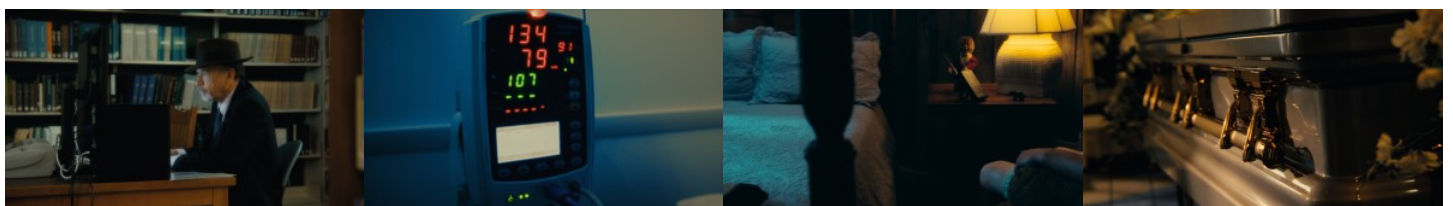

This series invites viewers to reflect not just on where they come from, but who might still be with them.
