Ahmedabad, Gujarat Jul 17, 2025 (Issuewire.com) - FinGuru India Celebrates 6 Years of Empowering Businesses with Financial Clarity

6 years ago, **FinGuru India** was launched with a clear purpose: to make finance and compliance feel less like a burden and more like a bridge to growth. Today, we're proud to celebrate 6 years of

supporting entrepreneurs, startups, and growing businesses across India and the globe.

What began as a small consulting initiative in Ahmedabad has grown into a trusted name in financial advisory, compliance, and virtual CFO services, known for its people-first approach and clear communication.

"We started FinGuru with a founder's mindset—to solve real financial challenges, not just check boxes," says **Sandhya Dhomeja**, Founder of FinGuru India. "Six years later, we're still doing what we love: helping businesses feel more confident and in control of their numbers."

A Snapshot of Our Journey:

- Helped over 400 businesses across India and globally
- Supported foreign companies entering India with, entity setup, FDI and cross-border strategy
- Managed seamless ROC filings, GST returns, income tax, TDS, and trademark registrations
- Provided strategic Virtual CFO support to fast-growing startups and SMEs
- Known for building long-term relationships with clarity, care, and consistency
