Kochi, Kerala Aug 4, 2025 ([Issuewire.com](https://www.issuewire.com)) - FMS International Dental Center Opens New State-of-the-Art Dental Facility in Kochi, Kerala

Leading dental care provider FMS International Dental Center, Hyderabad with more than 31 years of expertise, is thrilled to announce the launch of its newest state-of-the-art [dental clinic in Kochi, Kerala](#). By providing residents of Kochi and the surrounding areas with top-notch dental care, this new facility is set to elevate the standard of dental services in the region. FMS International has a proven track record of delivering high-quality dental care, cutting-edge technology and personalized treatment for each patient.

A Reputable Brand in Dental Care

Founded in Hyderabad, FMS International Dental Center has grown into one of the most reputable names in the dental industry, expanding both nationally and internationally. The opening of the Kochi

center is part of FMS's mission to provide world-class dental care to communities across India. Whether it's preventive care or advanced cosmetic dentistry, FMS is dedicated to offering comprehensive dental solutions for patients of all ages.

Complete Dental Care

The new FMS Kochi branch provides a wide range of services to meet all dental needs, ensuring every patient receives the highest quality care in a comfortable and welcoming environment.

Services include:

- **Dental Implantology:** Specializing in a variety of implant procedures, including basal implants, All-on-4 implants, Zygomatic implants and Full mouth implants, FMS Kochi offers the most advanced and effective solutions for patients with missing or damaged teeth.
- **Cosmetic Dentistry:** FMS Kochi offers treatments like teeth whitening, porcelain veneers and smile design to help patients achieve brighter, more confident smiles.
- **Smile Makeover:** Using digital [smile design](#) technology, the clinic offers personalized smile makeover solutions, tailoring enhancements to suit each individual's needs. Gaps between front teeth, discoloured front teeth, broken front teeth are well treated with Composite or Porcelain veneers creating a Beautiful Smile..
- **Orthodontics:** FMS offers advanced orthodontic treatments, including traditional braces and clear aligners (INVISALIGN and FMS SmartAlign), designed to straighten teeth and improve bite functionality.
- **Pediatric Dentistry:** FMS Kochi focuses on providing gentle and stress-free dental care for children, ensuring positive experiences for young patients.
- **General Dentistry:** Comprehensive services for routine checkups, fillings, cleanings and preventive care to maintain optimal oral health for all ages.
- **Root Canal Treatment (RCT):** FMS Kochi offers painless root canal treatments, helping save infected teeth and restoring their function.
- **TMJ/TMD Treatment:** Specialized care for patients with Temporomandibular Joint (TMJ) disorders, addressing jaw pain and related issues that affect daily oral functions.
- **Dental Crowns:** High-quality, aesthetic crowns designed from zirconia, porcelain (E.Max) or metal to restore decayed or damaged teeth.

State-of-the-Art Technology

Equipped with the latest dental technology, including digital X-rays, laser dentistry and CAD/CAM systems, FMS Kochi ensures precise treatments. These cutting-edge tools enable minimally invasive procedures, reducing patient discomfort and enhancing overall treatment efficiency.

Skilled and Experienced Dental Team

The FMS Kochi dental clinic is staffed by a team of highly skilled and experienced professionals, each specializing in various areas of dental care. Their commitment to continuing education and training ensures that patients receive the most advanced treatment options available.

Dr. PP Reddy, Director of FMS International Dental Centers, and Dr. Dushyanth Paul, a leading dental expert at the FMS Kochi Dental Clinic, expressed their excitement about the new facility: "We are thrilled to bring the FMS experience to Kochi.

[Dr. Dushyanth Paul](#) goal is to set a new benchmark for dental services in Kochi, Kerala, not only focusing on the physical health of our patients but also on their emotional well-being. FMS clinic will uphold our tradition of providing compassionate, high-quality care.

Commitment to Patient Safety and Comfort

FMS International Dental Center is dedicated to maintaining the highest standards of patient care and safety. The Kochi clinic follows stringent hygiene protocols to ensure a clean and sterile environment for all procedures. The team also prioritizes clear communication, ensuring that patients fully understand their treatment options and feel at ease throughout their dental visits.

Convenient Location and Appointment Scheduling

Located at MKS Square, Opp. Oberon Mall, NH Bypass, Padivattom, Edappally, Kochi, Kerala 682024, the FMS Kochi clinic is easily accessible to residents of Kochi and the surrounding areas. The clinic is now open and accepting appointments for a wide variety of dental services.
