Author Gary Ogden has officially launched his new website, www.GaryOgden.co.uk, a one-stop destination for readers, fans, and the literary community to explore his growing library of books and stay updated on upcoming projects.

The website features a fresh, modern logo highlighting a blue-and-white open book design—symbolising Ogden’s commitment to storytelling and knowledge. With a clean and intuitive layout, the site offers direct access to his latest releases, signed limited editions, and behind-the-scenes insights into his writing process.

“This site represents a new chapter for me as an author,” says Ogden. **“It’s more than just a place to buy my books—it’s a space for readers to connect with the stories and the passion behind them.”**

Ogden’s catalogue spans an eclectic mix of genres, including true crime, music history, British culture, and parody. With successful titles like *Royal Harmony: The Definitive History of Queen and Freddie Mercury* and the upcoming *The Hitchhiker’s Guide to the Immigration Office*, he has built a reputation for insightful, engaging, and often humorous writing.

Visitors to the site can:

- Browse all books by Gary Ogden
- Order exclusive signed editions
- Read author news and updates
- Discover upcoming releases

To celebrate the launch, **the first 100 readers** to visit the site will receive early access to a free chapter from Ogden’s next title.
