

Grow More Expands Canada-Wide Reach with High-Impact Digital Mobile Billboard Advertising Across the Country

Canada's Highest-Growing Mobile Billboard Advertising Company Doubles Down on Innovation, GPS-Based Campaigns, and Coast-to-Coast Visibility

Mississauga, Ontario Jul 22, 2025 ([Issuewire.com](https://www.issuewire.com)) - Grow More Technology Group Corp., Canada's leading [Digital LED Mobile Billboard Advertising](#) company, announced today a significant milestone in its expansion across Canada. With a growing fleet of digital billboard trucks on the roads of key provinces, Grow More is reshaping the face of out-of-home (OOH) advertising in Canada.

From **Toronto and Vancouver to Calgary, Montreal, Halifax, Saskatchewan** and beyond, the company's GPS-enabled mobile billboards are logging over 50,000+ impressions per truck per day, giving advertisers unparalleled reach and flexibility. From national retailers to local service companies, businesses of all sizes are using Grow More's [Media trucks](#) to promote the beginning of events, drive event traffic, and extend brand presence in high-traffic areas.

"Movability is the new visibility," said Ripudaman Singh, Grow More's Founder.

"Static billboards stand in one place, but our digital trucks go to where the audience goes—making ads more dynamic, measurable, and location-based."

Grow More's Key Advertising Features:

- **Media LED Billboard Trucks** with live GPS
- **Storefront LED Screen Installations** for brick-and-mortar stores
- **Billboard Advertising Placements** in city hubs
- **Geo-fencing and Retargeting** Campaigns for maximum ROI
