

Growth Accelerators ranked among Top 10 SEO Companies in India by Clutch

Boutique SEO firm from Gurgaon earns national recognition for its strategic SEO and data-driven approach for small and medium sized businesses.

Gurgaon, Haryana Jul 14, 2025 ([Issuewire.com](https://www.issuewire.com)) - Growth Accelerators, a trusted [outsourcing SEO company in India](#) focused on helping small businesses grow through data-driven strategies, has been named among the **Top 10 SEO Companies in India** by [Clutch](#) - a leading global marketplace of business service providers.

The recognition marks a key milestone for the agency, which also recently earned its certification as a [SEMrush Certified Agency](#), underscoring its commitment to excellence in search engine optimization.

Founded with a clear focus on making SEO more accessible for small and mid-sized businesses (SMBs), Growth Accelerators has built its reputation on transparent processes, measurable outcomes, and a partnership-first mindset. Over the years, the company has quietly established itself as a **trusted [SEO outsourcing partner](#)** for clients in India, the US, the UK, Australia, and other international markets.

*"We're proud to be recognized by Clutch, especially because their rankings are based on verified client feedback," said **Monisha Agarwal**, CEO of Growth Accelerators. "This honor validates the work we've been doing behind the scenes with businesses that often don't get the right kind of SEO support, especially small businesses."*

Built for Small Businesses, Backed by Big Thinking

Growth Accelerators was launched to solve a growing challenge: smaller businesses often find SEO either overpriced or ineffective when delivered through generalized plans. With a vision to partner with its clients, the agency narrowed its focus to offer custom SEO strategies built around each client's goals from local visibility to global reach.

Leading the Charge with AI SEO & White Label Partnerships

Recognizing the changing digital landscape, Growth Accelerators has embraced emerging trends like **AI SEO**, leveraging automation, machine learning insights, and large language models to stay ahead in search performance. Whether it's optimizing for **ChatGPT visibility**, leveraging **Reddit SEO** for community trust, or capitalizing on **Instagram SEO** following the platform's indexation update, the agency is helping businesses future-proof their SEO strategies.

The agency is also gaining momentum as a [white label SEO outsourcing partner](#) for marketing firms across the globe.

Looking Ahead

"This isn't just a win for us, it's a win for every small business that believed in long-term, honest SEO," said Nitin, COO, Growth Accelerators. "We're excited about the road ahead and the chance to keep pushing what's possible with organic growth."
