Brunswick, New York Jul 14, 2025 ([Issuewire.com](https://www.issuewire.com)) - Healix Infrared, a leader in innovative wellness technology, is transforming personal health care with its range of EMF-free infrared and PEMF (Pulsed Electromagnetic Field) therapy products. Designed to support recovery, relaxation, and overall well-

being, Healix's devices empower users to experience their body's natural healing potential from the comfort of home.

The company's flagship products, including the **HEALiX-Z Infrared Sauna Blanket** and the **Revive Infrared PEMF Mat**, are trusted by athletes, health enthusiasts, and individuals managing chronic conditions. These advanced tools leverage the power of infrared heat and red light therapy to promote detoxification, improve circulation, reduce inflammation, and enhance cellular repair.

Empowering Wellness Through Innovation

Healix Infrared's commitment to quality and accessibility shines through in its thoughtfully designed product line. Each device is crafted with toxin-free, certified materials to ensure safe and effective use. The **HEALiX-Z Infrared Sauna Blanket**, for instance, combines portability with cutting-edge technology, offering users a convenient way to achieve professional-grade results at home. Its zipper design and adjustable temperature settings make it adaptable to individual needs, while its lightweight build ensures easy storage.

For those seeking targeted light therapy, the **Glow Red Light Pod** delivers concentrated red and near-infrared wavelengths to rejuvenate skin, support joint health, and accelerate muscle recovery. With 2,680 high-intensity LEDs, this portable pod brings spa-like benefits directly to users' homes.

Tailored Wellness Solutions for Every Lifestyle

Healix Infrared offers a variety of bundled packages to suit diverse wellness goals. The **Ultimate Recovery Bundle** pairs the HEALiX-Z Sauna Blanket with the Revive PEMF Mat, creating a comprehensive solution for post-workout recovery and stress relief. Similarly, the **Glow & Thrive Package** combines the Glow Light Pod with a premium bamboo insert, providing an elevated experience for skin rejuvenation and self-care routines.

These bundles are particularly popular among fitness professionals and endurance athletes who rely on Healix's products to maintain peak performance and expedite recovery. As MMA fighter Ty "Savage" Gwerder notes, "The HEALiX Sauna Blanket has been a game-changer for my training regimen, helping me recover faster and manage weight cuts effortlessly."

A Mission Rooted in Education and Awareness

Beyond its product offerings, Healix Infrared is dedicated to spreading awareness about the body's innate ability to heal. The company provides free educational resources, including blogs, e-books, and wellness guides, to empower individuals to take charge of their health naturally.

"Healix Infrared is more than a brand; it's a movement toward better wellness," says the company's founder, a psychologist and wellness expert with over 15 years of experience. "Our mission is to equip people with the tools and knowledge they need to thrive physically, mentally, and emotionally."
