

Heavy Duty Engine Oils for Truck, Buses, Large Generators

Heavy Duty Engine Oils

Delhi, India Jul 24, 2025 ([Issuewire.com](https://www.issuewire.com)) - Palco [Heavy Duty Engine Oils](#) deliver superior protection and performance for trucks, buses, large generators, earth movers, cranes, and construction machinery. Engineered for durability, they ensure reduced wear, extended engine life, and reliable operation in demanding conditions.

When it comes to powering commercial vehicles and heavy machinery, engine oil plays a critical role in

performance, protection, and longevity. Palco Heavy Duty Engine Oils are specially formulated to meet the tough demands of trucks, buses, large generators, cranes, earth movers, and other construction and lifting equipment operating under high load and harsh environments.

At Palco, we understand that heavy-duty engines work under extreme pressures, long hours, and varying temperatures. That's why our oils are engineered using premium base stocks and advanced additive technology to deliver unmatched protection against wear, corrosion, sludge, and oxidation. Whether you're running a long-haul truck, a public transport fleet, or a diesel generator, Palco Heavy Duty Engine Oils help reduce engine wear, extend service intervals, and improve fuel efficiency.

Our oils ensure smooth engine operation, reliable cold start performance, and excellent thermal stability, even under high-load or stop-and-go conditions. They are suitable for both turbocharged and naturally aspirated engines and comply with major OEM specifications and industry standards.

Palco offers multiple viscosity grades and performance levels to suit diverse operating conditions, from hot construction sites to cold storage environments. The result is reduced maintenance costs, fewer breakdowns, and maximum uptime for your equipment or fleet.

Trusted by industrial operators, logistics providers, and construction companies across India and beyond, Palco Heavy Duty Engine Oils are a smart investment in the health and performance of your machinery. Explore our range today to find the right solution for your engine.

Heavy Duty Engine Oil, Engine Oil for Trucks and Buses, Generator Engine Oil, Construction Machinery Engine Oil, Diesel Engine Oil for Commercial Vehicles, Truck and Bus Lubricants, High Performance Engine Oil for Generators, Industrial Engine Lubricants, Engine Oil for Earth Movers and Cranes, Best Engine Oil for Heavy Equipment.
