to its Made Easy Suite

Thornhill, Ontario Jul 14, 2025 ([Issuewire.com](https://www.issuewire.com)) - HIC Global Solutions, a trusted Salesforce Consulting Partner and CRM innovator, is proud to announce the official launch of Forms Made Easy, the newest addition to its growing Made Easy Suite of Salesforce apps.

Forms Made Easy is a powerful no-code AI form builder built for Salesforce users. Designed to help teams quickly create, style, and deploy dynamic data collection forms, it empowers admins and business users to gather information intelligently, all without writing a single line of code or leaving the Salesforce ecosystem.

"Our goal with [Forms Made Easy](#) is simple: to make form creation in Salesforce fast, flexible, and frustration-free," said Piyush Singhal, CEO of HIC Global Solutions. "This launch is a big leap forward in our mission to simplify every part of the CRM journey from document generation to smart data capture with AI."

Forms Made Easy supports integration with standard and custom Salesforce objects, includes customizable templates, drag-and-drop design, real-time validation, and secure data handling, all enhanced with AI assistance to help users build smarter forms faster.

This launch further strengthens [HIC's Made Easy Suite](#), which already includes flagship apps like Docs Made Easy, Sign Made Easy, Sync Made Easy, MultiSync Made Easy, QB Sync Made Easy, WooCom Made Easy, and so on; each designed to streamline different Salesforce experiences and customers' needs.
