

“Himachali Creator Artist Jadeppa Crosses 50000 plus Followers with Unique Comedy & Dance Reels”

Bringing the essence of Himachal through laughter, Artist Jadeppa is becoming a voice for local talent on Instagram and beyond.

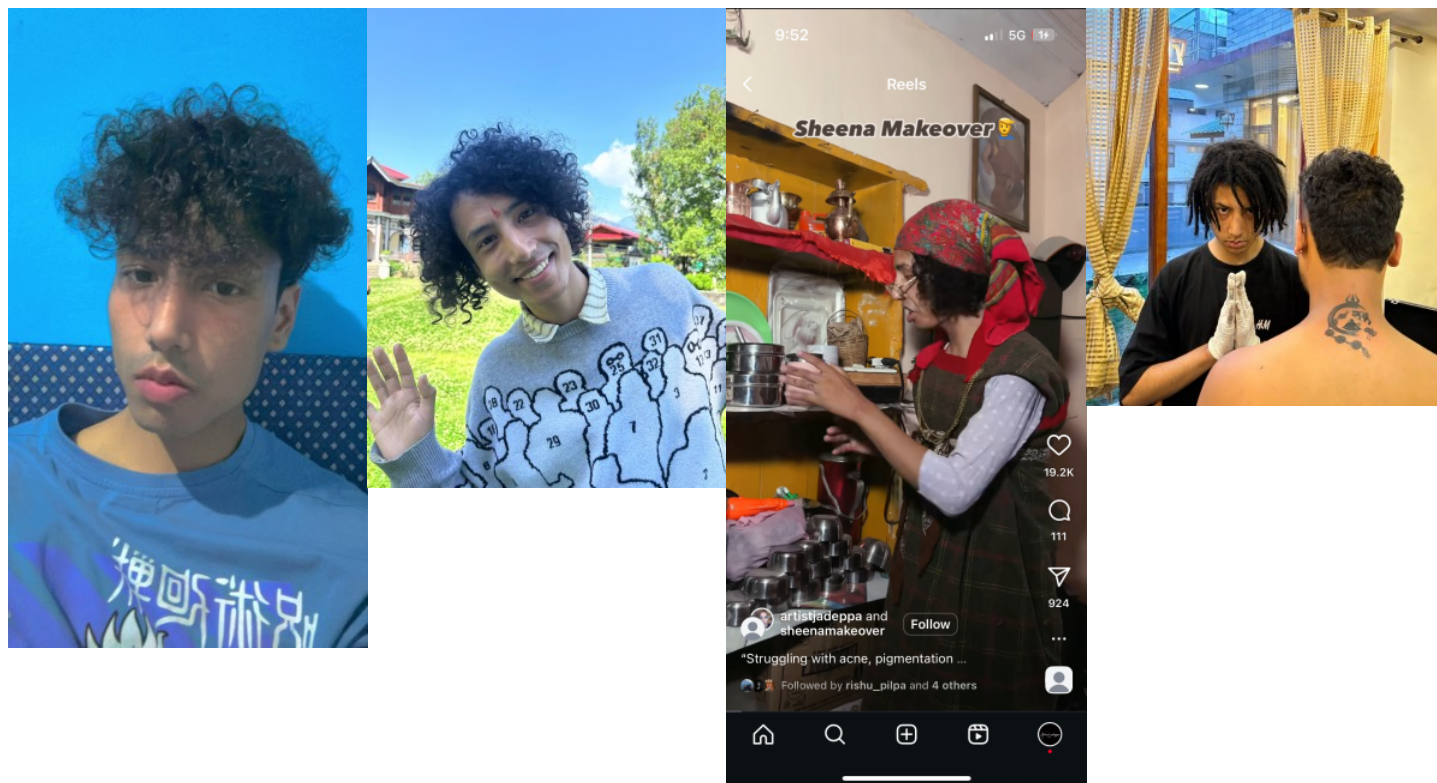

Manali, Himachal Pradesh Jul 16, 2025 ([Issuewire.com](https://www.issuewire.com)) - Rising digital creator Artist Jadeppa has recently crossed the milestone of 50000 + followers on Instagram, gaining attention for his unique mix of comedy, entertainment, and dance content. Known for integrating authentic Himachali flavor into his reels, Jadeppa is becoming a voice for regional culture in the digital space.

From everyday life humor to dance performances that reflect tradition with a modern twist, Jadeppa's content resonates with both local and national audiences. His collaborations with brands like Sheena Makeover and SVH Manali further validate his growing influence as a social media entertainer.

"My goal has always been to make people smile while staying connected to my roots," says Jadeppa. "Himachal is not just a location for me—it's my identity."

With a balanced audience of male and female followers and a strong presence in Himachal Pradesh, Artist Jadeppa is on track to become one of the region's most relatable and influential creators.
