Kelli Hughes, Esq.: Bringing Legal Expertise and Passion for Central Ohio Real Estate

New York City, New York Jul 21, 2025 ([Issuewire.com](https://www.issuewire.com)) - New Albany, Ohio – The Raines Group Real Estate Services, recognized as the leading sales team in Central Ohio, is thrilled to announce the addition of Kelli Hughes, Esq., as a Real Estate Consultant. With a distinguished career as an attorney and a deep-rooted connection to Central Ohio, Kelli brings a unique perspective to the real estate market, blending her legal expertise with a commitment to client advocacy.

Kelli, who has an active real estate license in Ohio, is a trusted advisor to both buyers and sellers. With over a decade of experience as a licensed attorney, she offers unparalleled professionalism, precision, and advocacy throughout the entire real estate transaction process. Her extensive background in law provides her clients with a significant advantage, ensuring that every detail is meticulously handled.

A life-long resident of Central Ohio, Kelli's connection to the community runs deep. Growing up in New Albany, she was a nationally recognized scholar-athlete, leading the New Albany High School Lady Eagles basketball team to their first-ever state tournament appearance in 2003. Kelli's passion for sports continued at Princeton University, where she played for the Lady Tigers while earning a Bachelor of Arts in English Literature and Drama. She later obtained her Juris Doctor from The Ohio State University Moritz College of Law and has been practicing law since 2011.

Before transitioning to real estate, Kelli spent over 14 years in various legal roles, including in-house counsel and policy counsel. During this time, she honed her skills in negotiation, contract review, and strategic problem-solving, all of which are invaluable in real estate transactions. Kelli's decision to become a Real Estate Consultant with The Raines Group stems from her desire to leverage her legal background to help clients navigate the complexities of buying and selling homes with ease and confidence.

Kelli is known for her thoughtful guidance and collaborative approach, working closely with clients to understand their unique goals. Her ability to build genuine relationships and advocate fiercely for her clients' interests has made her a trusted resource in Central Ohio's dynamic real estate market. "My mission is to help people," Kelli explains. "I thrive on teamwork, problem-solving, negotiation, and creativity — all essential elements in real estate."

In addition to her real estate career, Kelli has a passion for graphic design and fine art. Her paintings have been displayed and sold in various galleries throughout Central Ohio and Northern Michigan. She is also dedicated to community service, volunteering with the Legal Aid Society of Southeastern and Central Ohio (LASCO) to assist with landlord-tenant disputes and immigration cases.

Kelli enjoys exploring Ohio's scenic back roads, is an avid basketball player, and has an "aspirational" goal of becoming a skilled golfer. In her downtime, she enjoys reading and has a keen interest in archeology and geology, particularly as they relate to Ohio's rich history.

Kelli Hughes' commitment to hard work, authenticity, and professionalism aligns seamlessly with The Raines Group's mission to achieve positive results for clients. Together, they aim to continue building on the brokerage's stellar track record of client satisfaction and top-tier results in the Central Ohio real estate market.
