Kristina Tejada: Your Trusted Global Real Estate Advisor in St. Augustine and Beyond

New York City, New York Jul 13, 2025 ([Issuewire.com](https://www.Issuewire.com)) - Kristina Tejada, a seasoned Global Real Estate Advisor with ONE Sotheby's International Realty, proudly serves St. Augustine and the surrounding Florida communities. With a wealth of experience spanning over two decades in residential

real estate, Kristina possesses a deep understanding of market trends, financing options, and strategic investment opportunities that she brings to every client interaction.

Originally hailing from Massachusetts, Kristina began her real estate career before moving to Florida, where she established and operated a successful property management company. Her journey back to her real estate roots with Sotheby's International Realty has allowed her to leverage her extensive expertise, guiding buyers, sellers, and investors toward achieving their long-term goals through personalized, market-savvy strategies. Her areas of specialization include fix-and-flip investments, buy-and-hold portfolios, and both short- and long-term leasing solutions.

Kristina's passion for real estate is deeply ingrained, stemming from her upbringing in a family immersed in the industry. This background has fostered her entrepreneurial mindset and commitment to excellence. She has worked with high-profile clients and co-acquired PMI St. Johns County, a property management firm that she successfully sold in 2021. Her reputation in the industry is built on her attention to detail, professionalism, and unwavering dedication to her clients' best interests throughout the buying and selling process.

In addition to her real estate practice, Kristina offers professional photography services to enhance property presentation, notary services, and Spanish-to-English translation to facilitate smooth communication for all clients. A licensed REALTOR® in Florida since 2005, she continually seeks to expand her knowledge through workshops and seminars, pursuing professional designations via the National Association of Realtors (NAR), including Certified Residential Specialist, luxury home certification, and residential buyers designation.

Kristina's success is attributed to her unwavering focus on exceptional client service and prioritizing their goals above commissions. She expresses her creativity through photography and finds fulfillment in sharing her knowledge as a tutor and traffic class instructor. Additionally, she is an active community volunteer, having coached girls' softball as a certified coach and supported the Field of Dreams baseball league.

When not immersed in her work, Kristina enjoys playing soccer and golfing with her sons, gardening, cooking, and embracing the beach life. Her commitment to her community and passion for real estate make her an invaluable resource for anyone looking to navigate the Florida real estate market.
