Serving across India, Middle East, Europe, US, UK and Canada

New Delhi, Delhi Jul 8, 2025 ([IssueWire.com](http://www.IssueWire.com)) - KTC India, a premier name in luxury ground transportation, proudly announces its international expansion with the official launch of its premium chauffeur-driven services in *Tokyo, Japan*. This strategic move marks KTC's continued commitment to delivering world-class travel experiences to discerning clients around the globe.

Renowned for serving corporates, dignitaries, and global travelers in India, KTC now brings its expertise to the heart of Japan. With a curated fleet of high-end vehicles, including *Mercedes-Benz, **BMW, and **BYD EVs, KTC aims to redefine executive travel in Tokyo with a blend of **luxury, punctuality, and professionalism*.

> **"Expanding into Tokyo was a natural progression. Our goal is to bring seamless luxury mobility experiences to global hubs where our clientele frequently travels. Tokyo, being one of the busiest business destinations in the world, is a perfect fit,"** said a spokesperson from KTC India.

Highlights of the Tokyo Launch:

- * *Premium Fleet**: Chauffeur-driven luxury cars equipped with modern amenities and safety features.
- * *Multilingual Chauffeurs**: Professionally trained drivers fluent in English and Japanese.
- * *Target Segments**: Corporate travelers, diplomatic delegations, luxury tourists, and event mobility.
- * *Eco-Friendly Options*: Inclusion of **BYD electric vehicles* for sustainable urban mobility.

The Tokyo launch reinforces KTC's mission of offering *seamless luxury ground transport across borders, while maintaining the brand's core values of **comfort, elegance, and dependability*.

KTC's operations in Tokyo will cater to *airport transfers, corporate meetings, MICE events, and personal city tours*, ensuring every ride is a reflection of global hospitality standards.
