

Leanne E. Meier, BSN, RN, Passionate about Wellness and Preventive Healthcare in Minnesota

Registered Nurse Dedicated to Compassionate, High-Quality Nursing Care in the Minnesota Community

New York City, New York Jul 16, 2025 ([Issuewire.com](https://www.issuewire.com)) - Leanne E. Meier, BSN, RN, is a skilled and deeply compassionate Registered Nurse who has been a steadfast presence in the St. Paul, Minnesota, healthcare community for decades. With a remarkable career marked by dedication,

leadership, and vision, Leanne has touched countless lives—both at the bedside and beyond—through her commitment to patient-centered care and professional empowerment.

Leanne spent nearly 29 years of her career with HealthEast, a major healthcare system serving five hospitals across the East Metro area of the Twin Cities. Her clinical practice was rooted entirely at Midway Hospital in St. Paul, where she delivered hands-on care before transitioning into nurse recruitment. Her journey of service and mentorship continued as she moved into HealthEast's Education Department, where she became a beacon of guidance, training, and coaching of nursing staff across all five hospitals in the system.

Since 2014, Leanne has turned her focus to educating nurses returning to the profession, offering wisdom, encouragement, and real-world insight to those reentering the field. From 2017 to 2022, she expanded her impact globally as the creator and host of *Once a Nurse, Always a Nurse*, an international talk show that attracted over 120,000 listeners in 70 countries. This groundbreaking platform gave voice to the nursing experience worldwide, sparking vital conversations about healthcare, leadership, and transformation in the profession.

Leanne holds a Bachelor of Science in Nursing and is a licensed Registered Nurse, known for delivering high-quality, compassionate care. A natural collaborator, Leanne continues to work with health professionals across the country and around the world to transform our healthcare to a service which promotes wellness and disease prevention.

Renowned for her warmth, attentiveness, and empathy, Leanne fosters an atmosphere of trust and healing. She champions clear communication and personalized care, ensuring every client feels heard, respected, and supported throughout their healthcare journey.

During her mother's final chapter, Leanne co-founded two powerful, nationally focused initiatives—Power Up Nursing and Nurses Transforming Healthcare—both designed to spark innovation, leadership, and systemic change within the nursing profession. Although these collaborations span the country, Leanne proudly represents Minnesota as the sole state-based member, continuing her work to elevate the profession both locally and nationally.

As she looks to the future, Leanne remains deeply committed to contributing to the health and wellness of her community through professional development, mentorship, and health promotion initiatives. Her enduring passion for nursing and her belief in the power of compassionate care make her a treasured asset to St. Paul's healthcare landscape—and a true leader in transforming the future of nursing.
