

Lil Louie Vert (Mixtape) 2025.

Columbus, Ohio Jul 15, 2025 ([Issuewire.com](https://www.issuewire.com)) - **Louie XO: homage to Lil Uzi Vert with "Lil Louie Vert"***

Maloun Jaquay Moore, famously known as rapper Louie XO. Born on July 15, 1997, Louie XO has been cultivating his unique style and sound, and he is now set to release his highly anticipated 37th project titled "Lil Louie Vert" on July 15, 2025 in celebration of Louie XO's 28th birthday. This mixtape not only showcases his growth as an artist but also pays homage to one of his biggest influences, Lil Uzi Vert.

"Lil Louie Vert" comprises ten tracks, including 1.Uh Huh, 2.Hercules Flow (Young Thug), 3.Dkpezoz - I Just (feat. Louie XO), 4.Fell Off Flow, 5.Front (feat. Icebvrgr), 6.Ready or Not, 7.My Universe (feat. Luhswaggstarr), 8.Main (feat. Xember), 9.Patience, 10.Finally Rich. The mixtape is poised to deliver quick-paced, energetic anthems that highlight Louie's signature style while reflecting the influence of Uzi's rapid-fire delivery. Fans of Louie XO will be familiar with his journey, especially following the release of his previous project "Beat the Odds 2," where he candidly addresses his life experiences, including a gun charge he caught in the middle of October and people he thought were closest to him not helping after the case but wanting a piece of his fame.

Raised on the east side of Columbus by his mother, Nikita Marie Johnson, and the south side by his father, Charles Thomas Moore, Louie grew up the eldest of three brothers (Maloun, Adriel, Hasson). His life in the city, especially on the south side, greatly influenced his music. With a strong connection to his roots, Louie XO has embraced the vibrant and energetic style of rap that defines contemporary hip-hop. Tracks like "Car Convos", "No Racks" (single), "Show it++" on his first big (Mixtape) "Thot Boy". Leading up to "Murakami Origami" and "Philly Playground" from his 2nd biggest project "Super Louieo" (Ep) helped carve his niche in the underground rap scene, establishing his voice and artistic direction.

In "Lil Louie Vert," Louie XO aims to create an experience that entices listeners to play the songs repeatedly. The mixtape features collaborations with an artist from his label, TBA (Thot Boy Association) built back in 2023, Luhswaggstarr from Nashville, TN. This duo has combined their talents to produce Underground bangers like "No Racks," "WTR," and "Another One" integrating catchy hooks and hard-hitting beats.

As an independent underground celebrity, Louie XO has gained recognition for his hustling spirit and dedication to his craft gaining a feature from artist Lil B (Based God). His ambition does not stop at self-release; in fact, he has expressed a desire to sign with Lil Uzi Vert himself. This aspiration drives him to refine his artistry and expand his reach within the music industry.

With "Lil Louie Vert" on the horizon, it is clear that Louie XO is poised to make a significant impact on the rap scene. His unique blend of personal storytelling, homage to his influences, and energetic beats make him a must-watch artist. As July 15 approaches, fans eagerly await the release of a mixtape that promises not only to entertain but also to resonate deeply with anyone who has navigated life's ups and downs, much like Louie XO himself. This is more than just music; it's a way of life.
