

LIORA Depicts Modern Romance with Latest Song ‘DELULU’ from Her New Album

It seems like Norwegian music artist LIORA has decoded the delusions of modern romance, and it is evident through the song ‘DELULU’, appearing on her new album.

Oslo, Jul 16, 2025 ([Issuewire.com](https://www.issuewire.com)) - There are only a few artists who have made huge progress

within a short duration, and **LIORA** is perhaps one of the top of them. This dynamic music artist is churning out enticing flavors of dance-pop music with a modern dose of romance through her latest song '[DELULU](#)'. The title of the track already makes it clear that this song is about a delusional person or a delusional concept of love that often turns out to be different from what it really is. The song is highly relatable to modern listeners and capable of captivating every music lover with a tantalizing essence.

'**DELULU**' has been released under the label of Studio 51, and it appears in the latest album by the artist called 'LOVE ADVICE'. There are a total of 9 tracks in the album, and each of the tracks stands out with a romantic approach that is balanced out with a high-octane dance-pop musical arrangement. Invigorating, inspiring, and sometimes emotional, Liora's musical works are setting an example in the music industry.

Hailing from Norway, Liora is a proud and talented queer artist who is gaining on her music journey with authenticity, talent and an indomitable passion for music. She is highly inspired by Dua Lipa, FLETCHER, The Weeknd, and many others who made a statement in the industry. And now, it is time for **LIORA** to follow the path of success with a bold new chapter that started in 2025. Stay tuned and follow her on [Spotify](#) and [Instagram](#) to know more.
