

Madelene T. DiMarco, BSN, RN, Provides Dedicated School Nursing Services in Amity Harbor

Experienced Per Diem School Nurse Committed to Student Health and Wellness in New York Schools

New York City, New York Jul 3, 2025 ([IssueWire.com](https://www.issuewire.com)) - Madelene T. DiMarco, BSN, RN, a skilled and compassionate Registered Nurse, continues to make a meaningful impact in the Amity Harbor, New York, community through her work as a per diem school nurse, ensuring the health and safety of students across local educational settings.

Madelene holds a Bachelor of Science in Nursing and is a licensed Registered Nurse with a strong foundation in pediatric and school-based care. She brings over 10 years of experience in medical-surgical nursing, along with many years of mentoring and precepting new RNs, demonstrating her commitment to clinical excellence and professional development. In her role as a per diem school nurse, she provides flexible, on-call nursing services, stepping in when needed to support students' physical and emotional well-being during the school day.

Her responsibilities include managing daily health concerns, administering medications, responding to emergencies, and promoting preventive care through education and outreach. Madelene's calm demeanor, clinical expertise, and ability to adapt to diverse school environments make her a trusted presence among students, staff, and families.

Known for her nurturing approach and strong communication skills, Madelene fosters a safe and supportive environment where students feel heard and cared for. Her focus on building positive relationships and promoting healthy habits contributes to a stronger, more resilient school community.

Looking ahead, Madelene is committed to continuing her service in Amity Harbor and expanding her impact through community health initiatives and professional development. Her dedication to student health and responsive care makes her a valued contributor to the educational and healthcare landscape in her region.
