

Madlurv Launches LAMINATE ME+ Brow Gel Serum: A Dual-Purpose Formula for Fuller, Thicker Brows

An innovative hybrid product that styles brows while stimulating natural hair growth in as little as 2 weeks.

Gilbert, Arizona Aug 1, 2025 ([Issuewire.com](https://www.issuewire.com)) - Madlurv, a leader in professional-grade brow cosmetics, proudly unveils [LAMINATE ME+](#), a breakthrough in **eyebrow makeup** innovation. This dual-purpose product combines a high-performance brow gel with a science-backed growth serum to help users achieve fuller, thicker brows—no compromise needed.

Designed for women seeking **flawless brows** with both instant hold and long-term results, **LAMINATE ME+** is a vegan, flake-proof formula safe for daytime or overnight wear. In as little as 2–4 weeks, users can expect visible improvements in brow density and hair growth.

Benefits That Go Beyond Styling:

- Helps increase hair follicle length
- Reactivates the natural hair growth cycle
- Minimizes hair loss without irritation
- Results are visible in 2-4 weeks
- Free from parabens, sulfates, synthetic dyes, and harsh chemicals

Backed by an advanced formula and a growing base of user success stories, LAMINATE ME+ also serves as a versatile flyaway tamer and hairline booster, making it a must-have multitasker in every beauty kit. When used on the hairline, it offers a clean, slick finish while promoting fuller hair growth in areas affected by [telogen effluvium](#), a form of hair loss linked to stress or post-COVID recovery.

Clean Beauty Commitment

Like all Madlurv eyebrow makeup, LAMINATE ME+ is cruelty-free, **vegan**, and made without harsh ingredients like parabens, sulfates, phthalates, or synthetic dyes. It's formulated to deliver powerful results while staying gentle on sensitive skin.

"We've seen firsthand how thinning brows impact confidence. Whether from over-plucking, hormones, or stress, LAMINATE ME+ gives people the power to take control of their brow journey—and finally see real results," said Maddie Thompson, Founder of Madlurv.
