

Manav Consultant Launches Specialized UAE Certificate Attestation Services in Pune

Pune, Maharashtra Jan 9, 2026 ([IssueWire.com](https://www.IssueWire.com)) - Manav Consultant, a leading name in overseas recruitment and document processing, proudly announces the expansion of its UAE Certificate Attestation Services to Pune. This new service is designed to streamline and simplify the documentation process for individuals and businesses requiring UAE attestation for educational, personal, or commercial documents.

With increasing demand for professional opportunities and relocation to the UAE from Pune and nearby regions, the need for timely and authenticated documentation has grown significantly. [Manav Consultant](#) is stepping in to offer **end-to-end support** — from notary and HRD attestation to MEA and UAE Embassy attestation — all under one roof.

“Our goal is to eliminate the confusion and delays people often face during the attestation process,” said a spokesperson at Manav Consultant. “We’ve established a dedicated support team in Pune to ensure fast, transparent, and hassle-free service, whether it’s for job seekers, students, or entrepreneurs heading to the UAE.”

Key Features of the Service:

- Attestation for **Educational, Non-Educational, and Commercial documents**
- Guidance at every step of the process
- Pickup and delivery options available in Pune
- Compliance with UAE Embassy and MEA regulations
- Real-time status updates and dedicated customer support

With years of experience in documentation and overseas recruitment, Manav Consultant has earned the trust of thousands of clients across India. The new UAE attestation service in Pune is expected to benefit students pursuing higher studies, professionals taking up jobs abroad, and businesses expanding to the UAE market.
