Mari Sennott: Your Trusted Real Estate Advisor Serving the Cape Cod and Plymouth Areas

New York City, New York Aug 6, 2025 ([Issuewire.com](https://www.issuewire.com)) - Sandwich, Massachusetts – Mari Sennott, a dedicated and respected Real Estate Advisor with Today Real Estate, proudly serves the Cape Cod community as a leading figure in the local real estate market. With over two decades of experience and a commitment to client satisfaction, Mari has been guiding buyers and sellers through the complexities of real estate transactions since 1999. As the largest independently owned firm on Cape Cod, Today Real Estate provides Mari with the platform to deliver exceptional service and results.

Mari's career is built on a solid foundation in hospitality, which informs her approach to real estate. As the leader of Mari Sennott Plus, she collaborates closely with her husband, Hank, combining their extensive knowledge of real estate with a wealth of marketing and communications experience. This partnership allows them to offer a comprehensive, team-based approach that prioritizes the needs of their clients. Together, they have successfully closed more than 400 transactions, assisting a diverse clientele that includes first-time homebuyers and families selling cherished properties.

Understanding the emotional and logistical challenges of real estate, Mari and Hank utilize their personal experience of downsizing to provide empathetic support to their clients. They strive to create a stress-free environment, meticulously handling every detail of the buying and selling process while respecting each client's unique circumstances.

As a long-time mentor at Today Real Estate, Mari shares her knowledge with newer agents when they join Today RE.

In addition to her hands-on experience, Mari is a respected member of the Board of Directors for the Cape Cod and Islands Association of REALTORS® and an elite coaching client of the renowned Tom Ferry organization. Her involvement in both local and national real estate circles equips her with the latest tools, trends, and best practices, enabling her to deliver informed and responsive service in a constantly evolving market.

She is also a former member of the Executive Committee of the Cape and Islands United Way where she played a key role in the grant review and award process for local non-profits. Mari is also a believer in the importance of food banks. For example, she orders too many pies for her client Thanksgiving Pie Party so she can donate them to the Sandwich Food Pantry.

Recognized as a Top Producer, Mari attributes her ongoing success to fostering genuine relationships, leveraging her local expertise, and maintaining a steadfast commitment to her clients' needs. She cherishes the close-knit feel of the Cape Cod community and takes pride in supporting local businesses while helping neighbors navigate the rewarding journey of buying and selling real estate in the area she calls home.
