Mumbai, Maharashtra Aug 22, 2025 (Issuewire.com) - Study [MBBS in Russia](#) – Top Medical Universities for Indian Students

Study MBBS in Russia at top NMC-approved universities. Affordable fees, global recognition, and expert guidance from AV Global Overseas Education Pvt. Ltd.

Why Choose Russia for MBBS?

Study MBBS in Russia is a popular choice for Indian students seeking high-quality medical education at affordable costs. Russian medical universities are recognized globally by NMC (India), WHO, ECFMG, and FAIMER, offering degrees that open doors to medical practice worldwide.

- **Affordable Tuition** – ₹2.5–5 lakh/year, much cheaper than private MBBS in India.
- **Global Recognition** – Eligible for FMGE/NExT, USMLE, PLAB, etc.
- **English-Medium Programs** – Many top universities teach MBBS fully in English.
- **No Donation Policy** – Admission based purely on NEET qualification.

Top NMC-Approved Medical Universities in Russia

- [Tver State Medical University](#) – Popular among Indian students, excellent FMGE performance.
- [Kazan Federal University](#) – One of the oldest and most prestigious universities in Russia.

Eligibility for MBBS in Russia

- **Academic Qualification:** Minimum 50% in PCB (40% for SC/ST/OBC).
- **NEET Requirement:** Mandatory for all Indian students.
- **Age Limit:** Minimum 17 years by 31st December of the admission year.

MBBS Course Duration in Russia

- **Total Duration:** 6 years (5 years academics + 1 year internship).
- Early clinical exposure in hospitals and medical centers.
- Specialized training in surgery, pediatrics, cardiology, and more.

Cost of Studying & Living in Russia

- **Tuition Fees:** ₹2.5–5 lakh per year (varies by university).
- **Living Costs:** ₹15,000–30,000/month (includes hostel, food, transport).
- Indian mess facilities available in many universities.

Advantages of Studying MBBS in Russia

- Low fees and affordable living.
- NMC-approved and WHO-listed universities.
- Modern classrooms, labs, and simulation centers.
- Global exposure with multicultural campuses.
- Direct admission without extra entrance exams.

Challenges to Keep in Mind

- Russian language needed for clinical practice.
- Harsh winters in many regions.
- FMGE/NExT preparation is essential for Indian practice.

Conclusion

If you dream of becoming a doctor without the huge financial burden of private MBBS colleges in India, **MBBS in Russia** is the right choice. With guidance from **AV Global Overseas Education Pvt. Ltd.**, you can secure admission in top NMC-approved Russian medical universities and begin your journey towards a successful medical career.
