

Melissa Gibbs Enhances Addiction Medicine Care in Jonesboro, AR

Experienced Nurse Practitioner Delivers Compassionate, Patient-Centered Support at Ideal Option

New York City, New York Jul 2, 2025 ([IssueWire.com](https://www.issuewire.com)) - Melissa Gibbs, MSN, APRN, AGNP-C, is a dedicated and highly skilled nurse practitioner delivering compassionate, patient-centered care with a focus on substance use disorders. For the past four years, she has been an integral part of the Ideal Option clinic in Jonesboro, Arkansas, where she continues to positively impact the lives of individuals on their recovery journey.

Melissa earned her Master of Science in Nursing from the University of Central Arkansas in 2017 and is nationally certified as an Adult-Gerontology Nurse Practitioner through the American Academy of Nurse Practitioners. Before her advanced practice role, she spent over a decade in emergency and trauma nursing, building a strong clinical foundation and a calm, confident approach to high-acuity care.

Known for her thorough assessments, individualized treatment plans, and collaborative style, Melissa prioritizes clear communication and shared decision-making. Her approach is centered around patient engagement—empowering individuals to take an active role in managing their health.

At Ideal Option, Melissa provides comprehensive medication management and offers support and guidance tailored to each patient's unique needs. She also connects patients with resources for counseling and cognitive behavioral therapy, helping to address the full spectrum of recovery and mental wellness.

Her ultimate goal is to create a supportive, nonjudgmental healthcare environment where patients feel heard, valued, and empowered. Through empathy, expertise, and dedication, Melissa continues to enhance the quality of addiction medicine care in her community.
