

MyJobMag Launches "CV Matcher": A Game-Changing Tool to Help Job Seekers Get Shortlisted Faster

MyJobMag, Nigeria's leading career platform, today announced the launch of its latest innovation, CV Matcher, an intelligent online tool designed to help job seekers improve their chances of getting shortlisted for job opportunities.

Ikeja, Lagos Jul 19, 2025 ([IssueWire.com](https://www.issuewire.com)) - Available now, MyJobMag CV Matcher allows users to instantly analyze how well their CV aligns with any job description. By identifying gaps and offering actionable recommendations, the tool empowers applicants to tailor their CVs for maximum relevance, giving them an edge in today's competitive job market.

"At MyJobMag, we are committed to helping job seekers succeed," said Ogugua Belonwu, Founder of MyJobMag. "CV Matcher is our response to a critical pain point we see every day: candidates submitting CVs that fail to reflect what recruiters are looking for. This tool ensures that applicants understand exactly how their experience and skills match a role, and how they can improve their CV to stand out."

Key features of CV Matcher include:

- **Job Description Alignment:** Instantly checks how closely a CV matches the requirements of any job description.
- **Personalized Feedback:** Pinpoints areas of improvement to help candidates optimize their CVs before applying.
- **User-Friendly Experience:** Fast, simple, and accessible to all job seekers regardless of industry or experience level.

The launch of CV Matcher underscores MyJobMag's broader mission of making the job search process easier, smarter, and more effective for professionals across Africa.
