

Neurologist Dr. Chinar Agarwal, MD, Enhances Neurological Care in Salem and the Mid-Willamette Valley

Expert in Neurocritical Care and Internal Medicine, Delivering Compassion and Excellence from Salem Through Springfield

New York City, New York Jul 31, 2025 ([IssueWire.com](https://www.issuewire.com)) - Dr. Chinar Agarwal, MD, a highly skilled neurologist and internist, brings over a decade of dedicated medical experience to patients in Salem and throughout Oregon's Mid-Willamette Valley. Affiliated with Salem Hospital and PeaceHealth Sacred Heart Medical Center at RiverBend, Dr. Agarwal is committed to delivering evidence-based neurology and critical care with a compassionate, patient-focused approach. He is known for his attentive style, ensuring each patient feels heard and supported, whether managing chronic neurological conditions or receiving acute neurocritical interventions.

A native of Canada, Dr. Agarwal earned his MD from Ross University School of Medicine in 2012 and completed his internal medicine residency, internship, and neurocritical care fellowship through training at NYU Grossman School of Medicine and Oregon Health & Science University. With board certification in Internal Medicine and Neurocritical Care, he has developed substantial expertise in acute neurological emergencies, stroke management, critical care neurology, and comprehensive inpatient care.

Throughout his career, Dr. Agarwal has demonstrated outstanding clinical achievement, having served as chief resident at NYU, earned awards for research and education, and contributed to peer-reviewed publications. His academic dedication continues through adjunct faculty roles, mentoring medical students and residents, and fueling a passion for lifelong learning and teaching.

Dr. Agarwal practices at 890 Oak Street SE in Salem, maintaining a robust hospital presence at both Salem Hospital and RiverBend. He sees patients in outpatient neurology consultations as well as inpatient and ICU settings, offering a seamless continuum of care. He also serves the larger regional community via PeaceHealth's network in Springfield and Florence, ensuring access to top-quality neurologic expertise.

With a reputation for integrity, multidisciplinary collaboration, and personalized care, Dr. Chinar Agarwal is deeply committed to guiding patients and families through neurological challenges with skill, empathy, and innovation. His blend of clinical excellence, academic leadership, and genuine compassion continues to elevate neurological care across Salem and the surrounding region.
