

Paterson-Based NJ Auto & Truck Enhances Fleet Services with Faster Inspections and Expert Diesel Repairs

Fleet operators and business owners across North Jersey now benefit from faster turnaround times, trusted diagnostics, and reliable commercial vehicle service.

The banner features a yellow background with a blue horizontal stripe. On the left is a blue and white box truck. On the right is a silver sports car. The text 'New Jersey' is in a bold, white, sans-serif font. 'Auto & Truck' is in a large, white, stylized font with a black outline. Below this, 'COMPLETE AUTO CARE CENTER' and 'MEDIUM & HEAVY TRUCK REPAIR' are written in yellow, all-caps, sans-serif font. At the bottom, the phone number '973-247-1000' is displayed in a large, bold, black font.

Paterson, New Jersey Dec 27, 2025 ([IssueWire.com](https://www.issuewire.com)) - New Jersey Auto & Truck, a trusted name in commercial truck repair and fleet maintenance, is proud to announce enhanced services for businesses throughout North Jersey. As part of the Paterson Urban Enterprise Zone (UEZ), the shop now offers quicker inspections, expanded diagnostics, and efficient repair solutions for both gas and diesel vehicles.

“We’re in the business of uptime,” says Richie, owner of NJ Auto & Truck. “When your fleet’s parked, you’re losing money. We get you back on the road faster — no games, no fluff.”

Located at **57 1st Ave, Paterson, NJ**, NJ Auto & Truck specializes in:

- Fleet service and maintenance
- DOT and NJMVC inspections
- Diesel engine diagnostics and repair
- Honest, fast repairs for personal and commercial vehicles

Known for their no-nonsense approach and community roots, the team continues to support the growth of local businesses through fair pricing, reliable communication, and unbeatable quality.
