

Porcelain Dolls: A Hauntingly Beautiful Graphic Novel Series Launches on Kickstarter

Porcelain Dolls: A Hauntingly Beautiful Graphic Novel Series Launches on Kickstarter

liverpool, UK Jul 14, 2025 ([IssueWire.com](https://www.issuewire.com)) - Upcoming Graphic Novel Series “Porcelain Dolls” Seeks Early Supporters Ahead of Kickstarter Launch

The hauntingly beautiful graphic novel series *Porcelain Dolls* is gearing up for its official Kickstarter launch, and the creator is inviting fans, comic enthusiasts, and supporters of indie storytelling to join the journey early by following the campaign pre-launch.

Porcelain Dolls is a gothic-inspired series that blends psychological suspense, emotional depth, and richly detailed artwork to tell the story of Porcelain Dolls Graphic Novel Series, a young woman who inherits an eerie collection of porcelain dolls that unlock hidden memories and dark family secrets.

Currently in the pre-launch phase, the campaign is focused on building a community of passionate backers and followers who want to be the first to access exclusive content, sneak peeks, and special early bird rewards once the Kickstarter goes live.

Why Follow Now?

Joining the pre-launch followers means:

- Early updates and exclusive previews of the graphic novel's artwork and story
- Priority access to limited early bird rewards during the Kickstarter campaign

- Opportunities to engage directly with the creator and provide feedback
- Being part of a passionate community that loves gothic horror and indie comics

Ryan Christopher Doyle shares, “Building a community before launch is vital. We want to connect with fans who appreciate storytelling that’s eerie, emotional, and unique. Following us now means you’ll be part of every exciting step toward bringing *Porcelain Dolls* to life.”

Supporters interested in following and joining the early community can visit the pre-launch page here: <https://www.kickstarter.com/projects/porcelaindollsbook/porcelain-dolls-graphic-novel-series?ref>

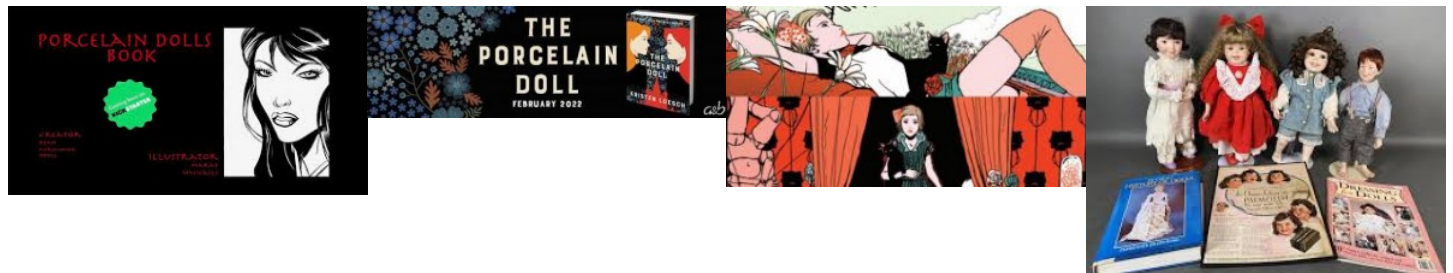

The official Kickstarter campaign is scheduled to launch soon, aiming to fund the production, printing, and distribution of the first volume of *Porcelain Dolls*.
