

Primo Dental Now Offering Advanced Root Canal Treatments in San Antonio, TX

Primo Dental is a premier dental practice in San Antonio, TX, dedicated to providing exceptional, patient-first care.

San Antonio, Texas Jul 28, 2025 ([Issuewire.com](https://www.issuewire.com)) - **Primo Dental**, a trusted leader in family and cosmetic dentistry, proudly announces the expansion of its services with **state-of-the-art root canal treatments** for patients in **San Antonio, TX**. With a focus on preserving natural teeth and alleviating pain, Primo Dental is setting new standards for comfortable, effective, and patient-centered endodontic care.

Root canal therapy has long been associated with discomfort, but modern advancements have transformed the procedure into a virtually painless experience. At **Primo Dental**, patients benefit from **cutting-edge technology, advanced techniques, and a highly skilled dental team**, ensuring precise diagnosis, efficient treatment, and lasting results.

“Our mission is to eliminate the fear associated with root canals by making the process smooth, comfortable, and stress-free for our patients,” said Dr. Sumeet Malhotra, lead dentist at Primo Dental. “We’re committed to saving natural teeth and restoring healthy, confident smiles to the San Antonio community.”

With its newly enhanced root canal services, **Primo Dental** continues to provide a full spectrum of dental care—from **preventive checkups and cosmetic dentistry** to **restorative and emergency treatments**—all under one roof.
