Columbia, South Carolina Jul 6, 2025 ([Issuewire.com](https://www.issuewire.com)) - RealESALetter.com is known as one of the most trusted and legit places to get an [ESA Letter](#) in the United States. The website helps people in all 50 states connect with licensed mental health professionals (LMHPs) who can check if they qualify and write a real ESA Letter. These letters follow all federal and state rules, so they're safe to use for housing.

After the COVID-19 pandemic, more people are dealing with anxiety, depression, stress, and PTSD. Many have found comfort and support from their emotional support animals (ESAs). This is possible because of protections under the Fair Housing Act (FHA).

RealESALetter.com makes it easy and safe to get a real ESA Letter online. The service is quick, private, and comes with a money-back guarantee if the letter doesn't work with your landlord. What Is a Real ESA Letter? Why Does It Matter?

A real ESA letter is not a registry certificate or ID card—it's a licensed medical document that confirms a person's need for an emotional support animal. It enables tenants to:

- Live with their ESA in no-pet housing
- Avoid pet fees and deposits
- Gain protection from pet-related discrimination under the Fair Housing Act

Without a legitimate letter from a licensed professional, these rights are not legally guaranteed.
