Austin, Texas Jul 23, 2025 ([Issuewire.com](https://www.issuewire.com)) - Roaming Sage's New Single "Do You Want My Love" Captures the Passion and Intimacy of Human Connection

Roaming Sage Studios is excited to announce the release of "Do You Want My Love," the latest single from acclaimed singer-songwriter and producer Bradley Ski McCollum, performing under the moniker Roaming Sage. Release Date: 08/22/2025

Composed with inspiration from God and the music greats, "Do You Want My Love" explores the raw, honest need for love and intimacy in physical human connections. This funky, fast-paced track delves into the passionate exchange between a man and woman as they make love, capturing the vulnerability, desire, and vulnerability of that intimate moment.

"This song came to me during a period of deep reflection and spiritual growth," said McCollum. "I wanted to create something that celebrated the beauty and power of human connection, in all its messy, passionate glory. 'Do You Want My Love' is an unabashed exploration of that universal longing we all share."

With his signature blend of soul, R&B, and funk influences, McCollum's emotive vocals and evocative lyrics take listeners on a sensual, rhythmic journey. The track's infectious grooves and sultry, intimate vibe are sure to captivate music lovers seeking an authentic, compelling musical experience.

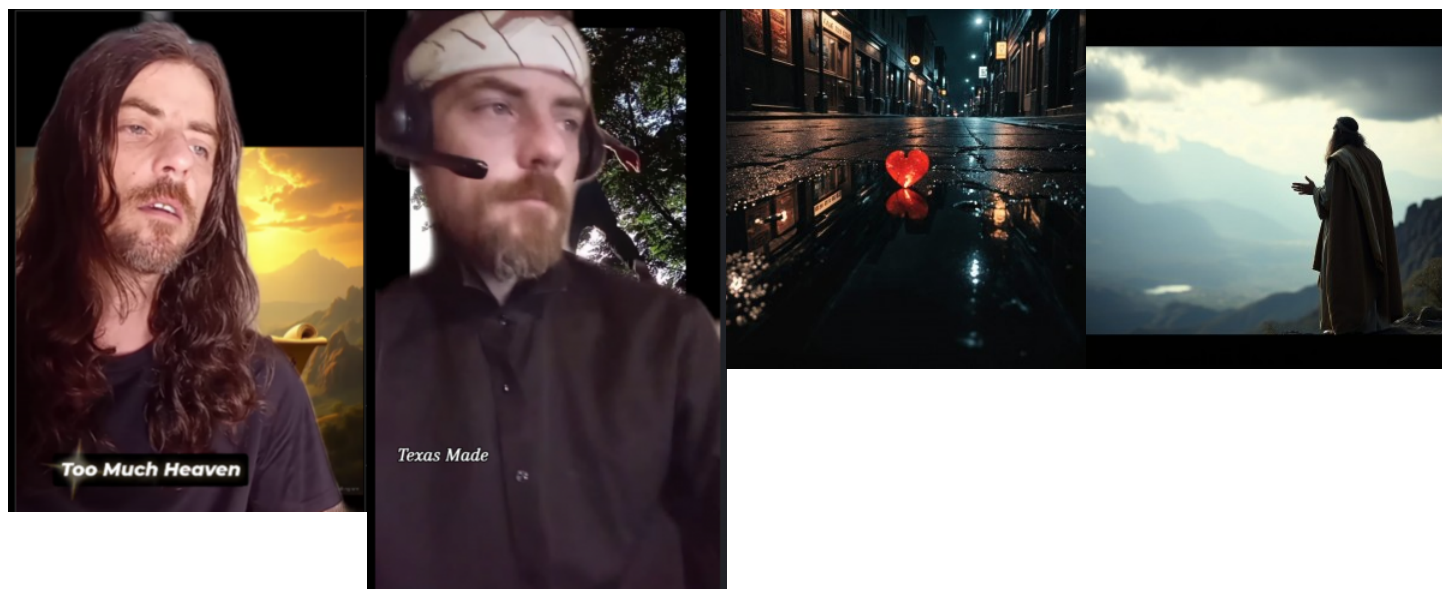

"Do You Want My Love" follows the critical acclaim surrounding Roaming Sage's previous releases, which have earned the project widespread recognition for its bold, genre-blending sound and McCollum's masterful storytelling. This latest single solidifies Roaming Sage's reputation as a compelling, unique voice in the contemporary music landscape.

"As an artist, my goal is to create music that resonates deeply with the human experience," added McCollum. "With 'Do You Want My Love,' I hope to spark meaningful conversations about the complexities of intimacy, desire, and what it means to truly connect with another person."

"Do You Want My Love" will soon be available on all major streaming platforms. For more information on Roaming Sage and to stay up-to-date on future releases, please visit <https://www.instagram.com/roaming.sage/>
