

"SA Unveils Upgraded LED Sports Wristwatch with Touch Display and Long Battery Life"

SA LED Watch: sleek touch display long battery comfy strap now on Jumia.

Avondale, Arizona Aug 4, 2025 ([Issuewire.com](https://www.issuewire.com)) - SA Silicone LED Digital Sports Electronics Wristwatch Now with Exciting New Features

SA is proud to announce the updated version of its bestselling Silicone LED Digital Sports Electronics Wristwatch Unisex 0013, now enhanced with new and improved features to deliver even greater value, style, and functionality for both men and women. New Feature Highlights:

allowing users to switch between time, date, and seconds with a simple tap.

Touch-Sensitive Display: Our upgraded version now includes a sleek touch-activated LED screen,
Improved Battery Efficiency: Experience longer usage time with optimized power consumption.

Enhanced Strap Comfort: The new generation silicone strap offers a softer, more flexible feel for all-day wear.

Water-Resistant Build: Perfect for sports and everyday use, this watch resists splashes and light rain.

Stylish, durable, and minimalistic, the SA Silicone LED Digital Watch is perfect for individuals who want a modern timepiece that pairs well with any outfit whether sporty, casual, or smart.

About SA:

SA is dedicated to providing affordable, reliable, and fashion-forward wearable electronics. With innovation and simplicity at the heart of every product, SA continues to set the standard for modern timepieces in Nigeria and beyond.
