Samantha Hurley: Transforming the North Atlanta Real Estate Market with Personalized Service and Expertise

New York City, New York Jul 14, 2025 ([IssueWire.com](https://www.IssueWire.com)) - Samantha Hurley is a licensed REALTOR® with Method Real Estate Advisors in Roswell, GA, and proudly holds the title of 2024 Rookie of the Year. She has quickly made her mark in the North Atlanta real estate market—especially in Acworth, Dallas, Kennesaw, and Woodstock—earning a reputation for her drive, sharp instincts, and ability to make every client feel like her only client.

Originally from the small town of Damascus, Maryland, Samantha moved to Georgia as a teen and has an in-depth knowledge of the North Atlanta suburbs. Whether working with first-time buyers, seasoned investors, or homeowners ready to sell, she brings clarity, professionalism, and heart to every transaction.

“My goal is to make sure you feel confident and cared for every step of the way,” Samantha says.

Her services include live or recorded tours for out-of-state buyers, access to a top-tier referral network, and expert guidance in identifying high-return investment opportunities. As a listing agent, Samantha utilizes the Method Makeover program, offering strategic home updates with no upfront cost, and personally stages homes to ensure they shine in a competitive market.

Samantha’s approach is highly personalized. Every client experience is tailored to their unique needs, and she thrives in situations that call for creative problem-solving, quick thinking, empathy, and a whole lot of hustle.

Since joining Method in Spring 2024, she has consistently ranked among the top agents in both volume and units sold. Her rapid success is powered by honesty, tenacity, and genuine care for the people she serves.

Prior to her career in real estate, Samantha operated a successful e-commerce business on eBay and Amazon, where she honed her skills in marketing, branding, negotiation, and customer service—an experience that now gives her clients a powerful edge.

She also worked as a community association (HOA) manager, gaining valuable insight into neighborhood dynamics, budgets, bylaws, and long-term planning. This experience is especially helpful for clients buying or selling in HOA-governed communities.

“What I’m most proud of isn’t the numbers—it’s the relationships,” she shares.

“Some of my clients have become lifelong friends. There’s no bigger compliment than a referral or a call from someone ready to do another deal.”

Every transaction is personal to Samantha. From proactive communication and surprise touches at closing to ensuring her clients feel truly seen and supported, she aims to make the process smooth, informative—and even enjoyable. Her custom buyer and seller guides are designed with that experience in mind.

“If we close and you feel like I treated your home as if it were my own,” she says,
“then I’ve done my job.”

Samantha lives in Acworth, Georgia, with her fiancé, future stepdaughter, and two dogs. She takes pride in serving a region that’s rapidly growing but still deeply rooted in Southern charm and small-town

connection.

“The people in and around Northwest Georgia are genuine. They care about their neighbors and preserve the history of their small towns, even as growth continues. There’s a real sense of family and fellowship here, and I couldn’t be prouder to be part of it,” Samantha says.
