Stays Tailored for You and Your Pets

Our revised **Signature Club Resort pet policy** allows pets across all room categories, including our expansive 3 and 4 BHK villas. Each unit comes with essentials like private balconies, comfortable bedding, minibars, and dedicated workspaces, offering the perfect setting for a [holiday with pets in Bangalore](#).

To ensure a comfortable experience for everyone, we encourage pet parents to carry their own supplies such as pet bedding, food, and bowls. This ensures familiarity and reduces stress for your pets while also maintaining the high standards we set for all our guests.

Pet-Inclusive Dining and Open Spaces

We understand how important it is to stay close to your pets throughout your vacation. That's why guests are now welcome to dine with their pets in designated open-air areas. Our **Courtyard Café**, with its relaxed and casual vibe, is now accessible to guests with pets. In addition, outdoor sections of our Tamarind multi-cuisine restaurant and Pavilion Bar are also pet-welcoming, allowing for shared moments without compromise.

This small shift makes a significant difference for those planning **weekend getaways with pets** or exploring their first **luxury pet vacation** in Bangalore.
