

Southern Soul Damo Ushers in a “New Era Of Southern Soul Blues” With Hot New Single “Trail Ride Slide”

Shelby, Mississippi 38774

Cleveland, Mississippi Jul 23, 2025 ([IssueWire.com](https://www.issuewire.com)) - Southern Soul sensation Southern Soul Damo is turning up the heat this summer with the release of his highly anticipated new EP, *New Era Of Southern Soul Blues*, available now on all major streaming platforms. Leading the charge is the EP's breakout single, "Trail Ride Slide," which officially dropped on July 11, 2025, and is already igniting dance floors and trail rides across the South.

Blending traditional Southern Soul grooves with fresh, modern energy, Damo's latest work is a celebration of community, love, and the unmistakable vibe of Southern culture. With smooth vocals, infectious rhythms, and lyrics that speak to real-life moments, "Trail Ride Slide" has quickly become the go-to anthem for trail riders and soul music lovers everywhere.

"This project is more than music—it's a movement," says Southern Soul Damo. "New Era Of Southern Soul Blues is about honoring where we've been while creating something new for today's generation. 'Trail Ride Slide' is just the beginning."

Recorded and produced with a mix of classic soul instrumentation and contemporary flair, *New Era Of Southern Soul Blues* offers a collection of tracks that showcase Damo's artistry, versatility, and dedication to keeping Southern Soul alive and thriving.

Fans can experience the magic live as Southern Soul Damo gears up for upcoming performances and appearances throughout the region. Dates and locations will be announced soon on his official platforms.

About Southern Soul Damo

Southern Soul Damo is a rising force in the world of Southern Soul and Blues. With a reputation for electrifying performances and soulful storytelling, Damo bridges the gap between classic soul traditions and modern-day sounds. His music has become a soundtrack for celebrations, gatherings, and those who appreciate the deep roots of Southern culture.
