

Still Funny, Sorry – The Unapologetic Comedy Page Bringing Back the Boldest Laughs from the 90s and 2000s

Waco, Texas Jul 4, 2025 ([IssueWire.com](https://www.IssueWire.com)) - Still Funny, Sorry – The Unapologetic Comedy Page Bringing Back the Boldest Laughs from the 90s and 2000s

In a time when comedy has become cautious, Still Funny, Sorry is serving up a refreshing dose of raw, nostalgic humor. The fast-growing Instagram page (@stillfunnysorry) curates the funniest, most unfiltered moments from 90s and 2000s TV and film — back when jokes didn't come with disclaimers.

Focused on real laughter over approval, the brand has built a loyal following by leaning into the type of humor many grew up on — bold, quick-witted, and often too edgy for today's mainstream. Whether it's classic movie scenes, savage one-liners, or sitcom moments that still hold up (maybe too well), Still Funny, Sorry celebrates the era when comedy was fearless — and so were its fans.

"We're not here to offend anyone — we're just not pretending this stuff wasn't hilarious," says the page's creator. "We're posting the content we grew up loving, and if people enjoy it, that's all that matters."
