

Study MBBS IN Kazakhstan for indian students

Lucknow, Uttar Pradesh Jul 7, 2025 ([IssueWire.com](https://www.issuewire.com)) - MBBS in Kazakhstan – Your Complete Guide to Affordable Medical Education Abroad

For Indian students aspiring to pursue a career in medicine, the [MBBS in Kazakhstan](#) has emerged as a top choice. Known for its world-class universities, low tuition fees, and globally recognized degrees, Kazakhstan is attracting thousands of international medical aspirants each year.

Choosing to [study MBBS in Kazakhstan](#) is ideal for students looking for quality education at affordable costs without compromising global exposure.

Why Choose MBBS in Kazakhstan?

There are several reasons why Indian students prefer [MBBS in Kazakhstan](#) over other countries:

🔍 Affordable Fee Structure

The range is from ₹14–₹22 lakhs for the entire course, making it highly cost-effective compared to

Indian private colleges.

NMC and WHO-Recognized Universities

All major universities are approved by the **National Medical Commission (NMC)** and recognized by the **World Health Organization (WHO)**. Graduates are eligible to appear for licensing exams like FMGE/NExT in India and USMLE, PLAB, etc., in other countries.

English Medium Programs

The MBBS curriculum in Kazakhstan is taught in English, removing any language barriers for Indian students.

No Donation or Hidden Costs

Unlike private colleges in India, Kazakh universities do not charge capitation or donation fees.

Indian Mess and Hostel Facilities

Universities provide separate hostels for boys and girls and Indian food facilities, ensuring students feel comfortable.

MBBS Course Duration in Kazakhstan

The duration of [MBBS in Kazakhstan](#) is **6 years**, structured as:

- **5 years of academic learning** (theory + practical training).
- **1 year of compulsory internship**, which can be done in Kazakhstan or India.

This timeline meets NMC guidelines and ensures students gain both academic knowledge and clinical exposure.

MBBS in Kazakhstan Fees Structure

The is transparent and affordable. Here's an approximate cost breakdown:

Expense	Estimated Cost (INR)
Tuition Fees (5 Years)	₹14 – ₹22 Lakhs
Hostel Accommodation	– ₹3 Lakhs
Indian Mess/Food	₹1.5 – ₹2 Lakhs
Visa & Travel (one-time)	₹1.5 – ₹2 Lakhs
Miscellaneous Expenses	– ₹1.5 Lakhs
Total Estimate	₹20 – ₹28 Lakhs

This makes it affordable for middle-class Indian families.
