

The Golden Visa X Platform Officially Launches.

The Golden Visa X is a Zero Fee Platform to File CBI/GV Applications. The Smartest Way to Apply for Citizenship and Residency by investment programs. Submission of CBI & Golden Visa Applications Made Effortless with the New Golden Visa X Platform

Budapest, Hungary Jul 1, 2025 ([Issuewire.com](https://www.issuewire.com)) - We are excited to announce the launch of Golden Visa X platform for the CBI/GV industry. The Zero fee platform helps to streamline applications submitted by clients for agents and governments. Clients who apply for Citizenship by investment (CBI) and Golden Visa programs can submit initial application uploading unlimited number of supporting

documents to our secure file storage.

- Zero Fee Platform makes it cheaper for clients.
- Easy to use interface.
- Secure File Upload and Storage
- Send and Receive PDF attachments
- Built for Agents and Governments to streamline client applications
- Submit your application online.
- Trusted Licensed Agents
- Real time application processing updates
- Agents can send and receive notifications or messages to clients (pdf attachment)
- Confidentiality and data protection assured

The platform asks users to register account and applicants will be asked basic questions about client applications including initial KYC and due diligence checks – visa rejections, sanctions and PEP checks to check eligibility. The platform is built on algorithm that will calculate prices are calculated real time and applicants will be taken to a payment page to complete initial payment. Once the process is completed, an government authorized agent will be assigned to the application and handling the case file.

"A Game-Changer for Agents & Governments, sets new standard for efficient CBI/GV Processing"
- Prabhu Balakrishnan, CEO and Founder of Golden Visa X

Interested candidates who seek investment migration solutions are invited to submit their applications through the new golden visa x platform. The platform currently offers CBI/Golden visa products available for all budgets..
