

The Hodges: Mario Hodge & Keldamuzik. Now on Prime.

A Brown Film's "The Hodges," starring comedian Mario Hodge and artist Keldamuzik, delivers laughs and heart. Now streaming on Amazon Prime, directed and produced by Buford Brown.

Oakland, California Jul 7, 2025 ([IssueWire.com](https://www.IssueWire.com)) - Audience favorite The Hodges is officially available to stream on Amazon Prime Video! This refreshing new sitcom brings together the comedic talents of Mario Hodge and the dynamic musical presence of Keldamuzik, under the creative direction of Buford Brown's A Brown Film.

About the Show

A family-centered comedy, The Hodges depicts the everyday highs and lows of Mario Hodge and his wife as they juggle work, family—and a touch of chaos—with heart and humor. Embracing laughter, love, and real-life struggles, the series highlights everything from parenting mishaps to bigger societal issues—with warmth and wit. The show was created, produced, and directed by Buford Brown of A Brown Film, bringing a fresh voice to comedic storytelling.

Cast Highlights

- Mario Hodge, comedian and lead, whose charisma anchors the everyday absurdities of family life.
- Keldamuzik, artist and TV personality, brings energy, musical flair, and style to the Hodges universe.

Production Team

Directed and produced by Buford Brown of A Brown Film, the series benefits from Brown's innovative vision and strong comedic background.
